BID SHEET
CITY OF AUSTIN
PERSONAL PROTECTIVE EQUIPMENT (PPE) AND RELATED ITEMS FOR EMERGENCY RESPONSE

SOLICITATION NO.: **IFB 5000 JRH1041**

BUYER: **John Hilbun**

Special Instructions: Offerors must use this Bid Sheet to submit pricing. Be advised that altering the bid sheet or taking exceptions to any portion of the solicitation may jeopardize acceptance of your Offer.

The quantities noted below are rough estimates, will likely vary significantly during the contract term, and are not a guarantee of actual volume. The City does not guarantee the purchase of the quantities listed, actual purchases may be substantially more or less. Quantities are provided as a guide based on historical or anticipated usage. Order quantities will be as-needed and specified by the City for each order.

A bid of "0" (zero) will be interpreted by the City as a no-charge (free) item and the City will not expect to pay for that item. A bid of "no bid" or no response (space left blank) will be interpreted by the City that the Offeror does not wish to bid on that item.

Prices offered on the bid sheet shall be all inclusive of fees not expressly allowed in the scope of work. The Offeror shall not charge separately for administrative, overhead, per diem, and shipping or transportation costs (travel time, fuel surcharges, mileage, stop-fee, etc.) to deliver services or items to the Austin, Texas area.

The City reserves the right to award a contract based on overall low cost or based on individual or categories/groups of specific line items, cost, or any criteria or combination deemed most advantageous to the City.

The City may award a single line item or group of line items to up to five Offerors. If the City elects to award line items or groups of line items to multiple Offerors, the Offeror providing the lowest responsive bid price for the line item/group will be deemed the "Primary" and the Offeror with the next lowest responsive bid price for the line item/group would be deemed "Secondary", "Tertiary", etc. During the life of the contract, order requests for a line item will be sent first to the Primary Contractor. If the Primary contractor is unable to meet the City's delivery timeline and specification requirements, then "Secondary" Contractors, etc. will be asked by the City to fulfill orders for that line item as deemed necessary by the City.

If a specific package quantity or size is indicated for an item in Category 1, and the Offeror cannot provide this package quantity or size, the Offeror may leave the line item price blank in Category 1 and instead provide pricing and alternate packaging in Category 3.

CATEGORY 2: PRICE LIST FOR NON-SPECIFIED ITEMS (DISCOUNT TO MANUFACTURER PRICE LIST) (For Informational Purposes Only)

The City wishes to purchase items not listed above, related to the Contract (non-specified items). The City anticipates an annual spending need of roughly $1,000,000 for non-specified items on the Contract. In order to provide non-specified items to the City, Offerors shall provide pricing for the non-specified items with a percentage discount off a manufacturer's list price. The percentage discount to manufacturer price list shall be the minimum discount offered for the price list throughout the term of the Contract including any subsequent extension periods, and is not subject to change. The invoice prices for these items shall be based off a percentage discount to manufacturer price list as indicated below. The percentage discount given should take into consideration all costs (administrative, overhead, shipping charges, etc.) to deliver the items to the Austin, TX area. These costs shall be factored into the percentage discount to manufacturer price list and shall not be paid separately.

Only Offerors awarded at least one (1) line item from Category 1 above are eligible to be awarded a line from Category 2. Offerors are not required to provide a manufacturer price list discount percentage to be eligible for award. However, providing a manufacturer price list discount percentage allows the City to purchase items that have not been specified elsewhere in this Bid Sheet. Please include additional pages as necessary.
