

ADDENDUM
CITY OF AUSTIN, TEXAS

Solicitation: CAK0101

Addendum No: 1

Date of Addendum: July 20, 2016

This addendum is to incorporate the following changes to the above referenced solicitation:

I. Questions:

- Is Austin Energy accepting alternatives to the items listed on the Bid Sheet?
 - **Yes.** Please review Section 0400, Item 10. SAMPLES – QUALIFIED PRODUCTS LIST (QPL) and/or STANDARD PRODUCTS LIST (SPL). Among other clarifications it states “The Offeror should submit a sample of all proposed “equal” non-QPL and/or non-SPL products included in the Offer. The City reserves the right to test any “equal” non-QPL and/or non-SPL product that is offered prior to determination of award. If the amount of time required for testing exceeds ten (10) calendar days from the date of receipt of the sample, the City may award to Offerors with pretested products. The product will still be tested and if it meets specifications, will be added to the QPL and or SPL for future Solicitations.”
- Does the bid sheet need to include pricing for every item on the list to be considered- is it “all or nothing” or can you bid on select items?
 - You may bid on all of the items or only the items you feel your company can competitively offer. Austin Energy will award on a line-by-line basis for the Contract.

II. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
