Prices will only be considered for an increase at that time. Once received, the City will have 30 calendar days to review and approve/disapprove the requested increase. Should the City not agree with the requested increase, Contractor may either maintain the prices currently in effect, negotiate an acceptable increase with the City or terminate the contract.

Except in the case of emergency situations, the requested index related or non-index related price increase shall not exceed twenty-five percent (25%) for any single line item, and in no event shall the total amount of the contract be automatically increased as a result of the increase in any one or more line items made pursuant to this provision.

items in the contract. If index changes are responsible in part for the requested change, those changes shall be documented as previously described above.
