8. NON-COLLUSION, NON-CONFLICT OF INTEREST, AND ANTI-LOBBYING

- A. The Austin City Council adopted Ordinance No. 20071206-045 on December 6, 2007, adding a new Article 6 to Chapter 2-7 of the City Code relating to Anti-Lobbying and Procurement. The policy defined in this Code applies to Solicitations for goods and/or services exceeding \$5,000. During the No-Contact Period, Offerors or potential Offerors are prohibited from making a representation to anyone other than the person designated in the Solicitation as the contact for questions and comments regarding the Solicitation.
- B. If during the No-Contact Period an Offeror makes a representation to anyone other than the Authorized Contact Person for the Solicitation, the Offeror's Offer is disqualified from further consideration except as permitted in the Ordinance.
- C. The City requires Offerors submitting Offers on this Solicitation to provide a signed affidavit certifying that the Offeror has not in any way directly or indirectly made representations to anyone other than the Authorized Contact Person during the No-Contact Period as defined in the Ordinance (**see the Non-Collusion, Non-Conflict of Interest, and Anti-Lobbying Affidavit included in the Solicitation**).

issued by the Department for this purpose. The Contractor shall submit a complete list of all persons requiring access to the Austin Water Utility building at least thirty (30) days in advance of their need for access. The City reserves the right to deny a security badge to any Contractor personnel for reasonable cause. The City will notify the Contractor of any such denial no more than twenty (20) days after receipt of the Contractor's submittal.

- B. Where denial of access by a particular person may cause the Contractor to be unable to perform any portion of the work of the contract, the Contractor shall so notify the City's Contract Manager, in writing, within ten (10) days of the receipt of notification of denial.
- C. Contractor personnel will be required to check in at the security desk when entering or leaving the Austin Water Utility building and security badges must be on display at all times when in the building. Failure to do so may be cause for removal of Contractor Personnel from the worksite, without regard to Contractor's schedule. Security badges may not be removed from the premises.
- D. The Contractor shall provide the City's Contract Manager with a list of personnel scheduled to enter the building, seven days in advance. The list shall identify the persons by name, date of birth, driver's license number, the times that they will be inside the building and the areas where they will be working. - E. The Contractor shall comply with all other security requirements imposed by the City and shall ensure that all employees and subcontractors are kept fully informed as to these requirements.

10. **ECONOMIC PRICE ADJUSTMENT**

- A. Prices shown in this contract shall remain firm for the first 12-month period of the contract. After that, in recognition of the potential for fluctuation of the Contractor's cost, a price adjustment (increase or decrease) may be requested by either the City or the Contractor subject to the following considerations:
- B. Price Increases
 - i. Requests for price increases must be made in writing and submitted to the appropriate Buyer in the City's Purchasing Office. The letter must be signed by a person with the authority to bind the Contractor contractually, shall reference the contract number, and include the following documentation:
 - (1) an itemized, revised price list with the effective date of the proposed increase;
 - (2) copies of the documentation provided by the manufacturer regarding the proposed price increase if the contractor is not the manufacturer of the products. If the Contractor is the manufacturer of the products, a letter so stating must be provided;
 - (3) Contractor shall submit, as a part of the request for increase, the version of the Producer Price Index(es) (Table 5 - Producer price indices for the net output of selected industries and their products) Iron & Steel/Products No. 331111 (the "Index") current as of the date of the Contractor's Offer; and a copy of the index for the most current period.

**CITY OF AUSTIN
PURCHASING OFFICE
SUPPLEMENTAL PURCHASE PROVISIONS**

(4) Since the perceived need for price increases may be due in whole or in part to factors other than index changes, the City may consider fully-documented increase requests for one or more line items in the contract.

- ii. Proposed price increases must be solely for the purpose of accommodating increases in the Contractor's costs for the products or services provided. Prices for products or services unaffected by verifiable cost trends shall not be subject to change.
- iii. Requests for price increases must be made in writing and submitted to the appropriate Contract Manager (identified in Section 0400 of the Solicitation) not less than **120-calendar days** prior to each review date of the contract period. Prices will only be considered for an increase at that time. Once received, the City will have **30 calendar days** to review and approve/disapprove the requested increase. Should the City not agree with the requested increase, Contractor may either maintain the prices currently in effect, negotiate an acceptable increase with the City or terminate the contract.
- iv. The proposed percentage change between the current contract price and the requested price shall not exceed the percentage change between the Index in effect at the beginning of the current review period and the one in effect at the time the price increase is requested. Except in the case of emergency situations, the requested index related or non-index related price increase shall not exceed twenty-five percent (25%) for any single line item, and in no event shall the total amount of the contract be automatically increased as a result of the increase in any one or more line items made pursuant to this provision.

C. Price Decreases

- i. Proposed price decreases may be offered to the City at any time, and become effective upon acceptance by the City unless a different effective date is specified by the Contractor. Price decrease offers may also be subject to negotiation.
- ii. Price decreases based on relevant factors may be requested by the City at any time. Such requests shall be accompanied by a complete statement of the City's justification for the request. The Contractor shall have 30 calendar days to respond to the City's request. Following receipt of the Contractor's agreement with the requested decrease, the City may implement the decrease at any time. Should the Contractor not agree with the requested decrease, the City may either maintain the prices currently in effect, negotiate with the contractor, or terminate the contract.

11. **INTERLOCAL PURCHASING AGREEMENTS** (applicable to competitively procured goods/services contracts).

- A. The City has entered into Interlocal Purchasing Agreements with other governmental entities, pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code. The Contractor agrees to offer the same prices and terms and conditions to other eligible governmental agencies that have an interlocal agreement with the City.
- B. The City does not accept any responsibility or liability for the purchases by other governmental agencies through an interlocal cooperative agreement.

12. **CONTRACT MANAGER**
