

Answers to Bidders Questions

Date: March 14, 2013

Project: Shaw Lane Lime Residual Disposal Facility Overall Site Plan

C.I.P. No. 8702.003

IFB Number: 6100 CLMC412

The following are answers to questions received by the City on the above project. These answers do not modify the Contract. Any modifications to the Contract will be through Addenda

Q: There is no bid item for grading the lime residual material to accept the 2 foot deep cap in the West Pit. How is this work to be paid?

A: This was previously addressed in the last (6th) question of "Answers to Bidders Questions" dated 3/5/13.

Q: The quantity for borrow shown on the Plans is much higher than shown on the Bid Form. Is it intended to take only the material that is needed?

A: Yes, this was previously addressed in the 5th question of "Answers to Bidders' Questions" dated 3/5/13.

Q: The quantities shown for the 12" Clay and 12" Topsoil will not cover the West Pit. How were these quantities intended to be applied?

A: The actual quantities will be paid at the unit price for borrow (130S-B and 130S-T) and embankment (132S-A-Clay and 132S-A-Top Soil).
