PROJECT: Davis Water Treatment Plant Chemical Feed Improvements Bid Package 2: Lime Slaker/Lime Slurry Feed System Improvements

CIP ID: 2015.047

IFB# 6100 CLMC447

SUBJECT: Answers to Bidders Questions as of the date of this letter, per 00100-IFB Article 1.(3)(C).

Q-1: If the owner does not include slakers #3 and #4 how will that change our scope beyond the slaker itself? Will that change the Valve and Vibrator replacement? Will there be new hoses on the existing slakers to fit the new piping?

A-1: See Addendum No. 2.

Q-2: I am looking for the Appendix A1 through A4 mentioned in spec section 17520 1.02B and C. Would you be able to send these to me?

A-2: Appendices A1 through A4 were previously indicated to be available on CD upon request. These appendices have been reduced to A1 through A3 and are being issued via CD as part of Addendum No. 2.

Q-3: Do you have drawing 116-81-4-2630 noted in Section 11252, 2.05A?

A-3: The drawing number has changed in the reissued Section 11252, 2.05A, and is in Addendum No. 2.

Paulinda Mackie, PMP
Project Manager
