SUBJECT: Answers to Bidders Questions from Fred Evins, Redevelopment Project Manager,
Economic Development Department

The following are answers to Bidder questions received on the above project. These answers do not modify the Contract. Any modifications to the Contract will be through Addenda

Q-1: There appear to be a bunch of existing utilities in the proposed West Avenue location. Can you please confirm which utilities will be abandoned or need to be adjusted. Can you confirm which party will be responsible for this cost of abandoning and/or adjusting these utilities.

A-1: For any adjustments to existing utilities (Electric Duct Bank Manhole Covers) in West Avenue refer to Drawing Sheet 10. For information on abandoning of utilities (Water Lines) in West Avenue refer to Drawing Sheet 27. These are included in the scope of Work and should be reflected in the Bid.
