SUBJECT: Answers to Bidders Questions from Mandatory Pre-Bid Meeting held on December 10, 2015.

The following are answers to Bidders questions received on the above project. These answers do not modify the Contract. Any modifications to the Contract will be through Addenda

Q-1: How will I address participation goals under the allowances on the Bid Form?

A-1: Goal Calculations will be on base bid amount only – not including allowances, refer to Bid Form 00300U, Addendum #1. After award of contract, if prime contractor will issue allowance work to first tier, the prime will be required to contact SMBR representative Laura Moreno at laura.moreno@austintexas.gov for an availability list and perform good faith efforts if they intend on using a non-certified sub should there be MBE/WBE availability in the scopes required.
