The following are answers to Bidders questions received on the above project. These answers do not modify the Contract. Any modifications to the Contract will be through Addenda.

	<b>Bidders Questions</b>	<b>Answer</b>
1	On form 00425B "Rolling Owner Controlled Insurance Program Information" (attached for your review) the Bidding Contractor is required to complete the affidavit. However, this document has 2 affidavits. One for the Prime Contractor and another for the SubContractors. Do we, as a Prime Contractor, have to submit with our bid just our Prime Contractor affidavit or do we have to also ask each subcontractor to fill out the Sub-Contractor affidavit for the bid?	Submit only the Prime Contractor's affidavit with the bid.
2	Is Section 00400, Attachment E required to be submitted with the bid or with post-bid information?	Please see Section 00400, Post-Bid Submittals on page 1.
