PROJECT: Four Points Elevated Reservoir Improvements

CIP ID: 2127.034

IFB# CLMC624

SUBJECT: Answers to Bidders' Questions

The following are answers to Bidders' questions received on the above project. These answers do not modify the Bid Documents. Any modifications to the Bid Documents will be through an Addendum.

Q-1: Do you know the dimensions of the tank. I can't see the diameter or height listed anywhere. If it is in the specifications somewhere can you direct me to them?

A-1: Refer to Detail 1/G-1 for information from the tank nameplate.

Q-2: Secondly on the south side of the tank it looks like the tree(s) that are located there will interfere with containment, can those trees be trimmed to accommodate the containment system?

A-2: Trees affecting construction may be trimmed on a limited basis in accordance with City of Austin standards with prior approval from the Owner.
