SUBJECT: Answers to Bidders' Questions 2

Q-1: Is the contractor responsible for relocating the existing 4" gas line shown on Sheet 1C-25 (Sheet 30)? The Demolition Plan Sheet 1C-18 (Sheet 23) does not mention it and the gas line on Sheet 1C-19 (Sheet 24) shows to protect the existing gas line. I realize they are not the same line.

A-1: The contractor is not responsible for relocating the existing gas line on Mason Avenue (shown on Sheets 23 and 30). Texas Gas is managing the line relocation.
