- 1.2 The Contract will be utilized by the Fleet Services Department. The City reserves the right to allow other City Departments to utilize the Contract.
- 1.3 The City intends to solicit bids in response to this IFB-Best Value and reserves the right to compare those bids to established cooperative purchasing organization contracts operating within the State of Texas and authorized by the Austin City Council. Award may be based on individual or groups of specific line items, cost, convenience, or any criteria deemed by the City to be most advantageous. The City also reserves the right to refrain from awarding any lines or group of specific line items as a result of this solicitation and, instead, award the entire contract to a supplier available through a cooperative purchasing agreement.
- 1.5 A Successful Bidder may be awarded either the entire contract, the majority of the contract, or select line items.
