II. Questions:

- 1.0 (Q) Item 1 in Section 0600 Bid Sheet is not listed in the specification anywhere. There isn't a link provided for that item.
(A) The item listed in Section 0500 Scope of Work is described as Kit, Eagle – Combat Gauze BLK – Austin PD Item #85-0488. There is not a link available for the kit because the kit is built off of the items shown directly under it in Section 0500 Scope of Work and Updated Section 0600 Bid Sheet. All of the contents listed are what the kit is comprised of.
- 2.0 (Q) The kit includes a roll of 2" surgical tape that doesn't show as one of the items. Did this item get taken out?
(A) This item has been added to Updated Section 0600 Bid Sheet, line item 1 which is the whole kit and line item 9 for the individual item.
- 3.0 (Q) In Section 0600 Bid Sheet on line item 9 you are asking for the kit which is 25 pair, but the unit of measure states 100 each. Is that 100 kits or 4 kits to get to the 100 pair.

- (A) This item was the ZZ-0282 Kit, Glove Sand Bear Claw Nitrile – Large but has now been removed as a line item. It is no longer required as an individual item, but only under line item 1 in the kit. Please note the change in part number to ZZ-0248 Kit, Glove Sand Bear Claw Nitrile – Large.
