

**ADDENDUM  
CITY OF AUSTIN, TEXAS**

---

**Solicitation: CRR0107**

**Addendum No: 1**

**Date of Addendum: 05/18/2016**

---

This addendum is to incorporate the following changes to the above referenced solicitation:

**Questions:**

**Q1: The Souly Placemaking project calls out developments such as green spaces, but does not identify these. Can this information be provided?**

A: The two districts selected may or may not have applicable green space available for use. If in coordination with the stakeholder group, green spaces are identified for placemaking project implementation, approval from the appropriate City departments will need to be sought. Private property including vacant land or green would also need to seek approval from land owners and would be subject to approval by the City.

**Q2: The initial term of the contract is 12 months, but what is the ideal timeline that EDD would like the project completed?**

A: The project should be completed within the first twelve months of the contract unless otherwise agreed upon during the development of the project details.

**Q3: The project amount of \$55,000 for this contract does not seem to support media or signage purchase or design work. How will these items be purchased?**

A: \$55,000 is the total budget for the project and all components of the scope of work must be included in this budget. The Contractor and stakeholder groups may explore the opportunity for partnerships, in-kind contributions or additional creative means to increase the budget. If additional dollars are sought through private investment an agreed upon timeline must be established with the City and Contractor to ensure implementation. A shortage of funding cannot delay the implementation of the project.

Permanent signage infrastructure or the design for signage is not intended to be a deliverable of this contract. Media support would not be a supportive cost of the scope of work and interaction with media and garnering press support for implementation of projects would be facilitated by the City of Austin.

I. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
