This minimum wage is required for any Contractor employee directly assigned to this City Contract, unless Published Wage Rates are

included in this solicitation. In addition, the City may stipulate higher wage rates in certain solicitations in order to assure quality and continuity of service.

- B. Additionally, the City provides health insurance for its employees, and for a nominal rate, employees may obtain coverage for their family members. Contractors must offer health insurance with optional family coverage for all Contractor employees directly assigned to this contract.  - iii. hours worked each day and total hours worked each workweek;
 - iv. basis on which employee's wages are paid;
 - v. regular hourly pay rate;
 - vi. total daily or weekly straight-time earnings;
 - vii. total overtime earnings for the workweek;
 - viii. all additions to or deductions from the employee's wages;
 - ix. total wages paid each pay period; and
 - x. date of payment and the pay period covered by the payment.
- E. The Contractor shall provide with the first invoice and as requested by the Department's Contract Manager, individual Employee Certifications (**see the Living Wages and Benefits Employee Certification included in the Solicitation**) for all employees directly assigned to the contract containing:

11. **NON-COLLUSION, NON-CONFLICT OF INTEREST, AND ANTI-LOBBYING**

**CITY OF AUSTIN
PURCHASING OFFICE
SUPPLEMENTAL PURCHASE PROVISIONS
BKH0153**

- A. On November 10, 2011, the Austin City Council adopted Ordinance No. 20111110-052 amending Chapter 2.7, Article 6 of the City Code relating to Anti-Lobbying and Procurement. The policy defined in this Code applies to Solicitations for goods and/or services requiring City Council approval under City Charter Article VII, Section 15 (Purchase Procedures). During the No-Contact Period, Offerors or potential Offerors are prohibited from making a representation to anyone other than the Authorized Contact Person in the Solicitation as the contact for questions and comments regarding the Solicitation.
- B. If during the No-Contact Period an Offeror makes a representation to anyone other than the Authorized Contact Person for the Solicitation, the Offeror's Offer is disqualified from further consideration except as permitted in the Ordinance.
- C. If a Respondent has been disqualified under this article more than two times in a sixty (60) month period, the Purchasing Officer shall debar the Offeror from doing business with the City for a period not to exceed three (3) years, provided the Respondent is given written notice and a hearing in advance of the debarment.
- D. The City requires Offerors submitting Offers on this Solicitation to provide a signed Section 0810, Non-Collusion, Non-Conflict of Interest, and Anti-Lobbying Affidavit, certifying that the Offeror has not in any way directly or indirectly made representations to anyone other than the Authorized Contact Person during the No-Contact Period as defined in the Ordinance. The text of the City Ordinance is posted on the Internet at: <http://www.ci.austin.tx.us/edims/document.cfm?id=161145>

12. WORKFORCE SECURITY CLEARANCE AND IDENTIFICATION (ID)

- A. Access to the City of Austin Department buildings by the Contractor, all subcontractors and their employees will be strictly controlled at all times by the City. Security badges will be issued by the Department for this purpose. The Contractor shall submit a complete list of all persons requiring access to the City of Austin buildings at least thirty (30) days in advance of their need for access. The City reserves the right to deny a security badge to any Contractor personnel for reasonable cause. The City will notify the Contractor of any such denial no more than twenty (20) days after receipt of the Contractor's submittal.
- B. Where denial of access by a particular person may cause the Contractor to be unable to perform any portion of the work of the contract, the Contractor shall so notify the City's Contract Manager, in writing, within ten (10) days of the receipt of notification of denial.
- C. Contractor personnel will be required to check in at the security desk when entering or leaving the City of Austin buildings and security badges must be on display at all times when in the building. Failure to do so may be cause for removal of Contractor Personnel from the worksite, without regard to Contractor's schedule. Security badges may not be removed from the premises.
- D. The Contractor shall provide the City's Contract Manager with a list of personnel scheduled to enter the building, seven days in advance. The list shall identify the persons by name, date of birth, driver's license number, the times that they will be inside the building and the areas where they will be working. Only persons previously approved by the City for the issuance of security badges will be admitted to the building.
- E. The Contractor shall comply with all other security requirements imposed by the City and shall ensure that all employees and subcontractors are kept fully informed as to these requirements.

13. **MONTHLY SUBCONTRACT AWARDS AND EXPENDITURES REPORT** (reference paragraph 18 in Section 0300)
- A. The Contractor must submit a monthly Subcontract Awards and Expenditures Report to the Contract Manager specified herein and to the Purchasing Office Contract Compliance Manager no later than the tenth calendar day of each month.
- B. Mail the Purchasing Office Copy of the report to the following address:

P. O. Box 1088
Austin, Texas 78767
14. **ECONOMIC PRICE ADJUSTMENT**
- A. Prices shown in this contract shall remain firm for the first 12 month period of the contract. After that, in recognition of the potential for fluctuation of the Contractor's cost, a price adjustment (increase or decrease) may be requested by either the City or the Contractor subject to the following considerations:
- B. Price Increases
- i. Requests for price increases must be made in writing and submitted to the appropriate Buyer in the City's Purchasing Office. The letter must be signed by a person with the authority to bind the Contractor contractually, shall reference the contract number, and include the following documentation:
- (1) an itemized, revised price list with the effective date of the proposed increase;
 - (2) copies of the documentation provided by the manufacturer regarding the proposed price increase if the contractor is not the manufacturer of the products. If the Contractor is the manufacturer of the products, a letter so stating must be provided;
 - (3) For the purposes of this Contract, pricing provided by the Contractor will be considered to be 80% cost of goods and 20% cost of labor; price change requests shall be allocated accordingly. For the 80% cost of goods pricing, Contractor shall submit, as a part of the request for increase, the version of the Producer Price Index Industry Data, Series ID: WPU3712, the Index for Telecommunication, cable, and internet user services current as of the date of the Contractor's Offer; and a copy of the index for the most current period. For the 20% labor portion of the contract, Contractor shall submit, as a part of the request for increase, the version of the U.S. Department of Labor Employment Cost Index for Wages and Salaries for all Private Industry Workers (the "Index") current as of the date of the Contractor's Offer; and a copy of the index for the most current period. Price increases shall be calculated based on percentage changes in the above indexes with the following formula:

$$\text{Price increase \%} = .80 (\text{PPI Index above}) + .20 (\text{Labor Index})$$
 - (4) Proposed price increases must be solely for the purpose of accommodating increases in the Contractor's costs for the products or services provided. Prices for products or services unaffected by verifiable cost trends shall not be subject to change.

**CITY OF AUSTIN
PURCHASING OFFICE
SUPPLEMENTAL PURCHASE PROVISIONS
BKH0153**

- ii. Requests for price increases must be made in writing and submitted to the appropriate Contract Manager prior to each yearly anniversary date of contract. Prices will only be considered for an increase at that time. Once received, the City will have 30 calendar days to review and approve/disapprove the requested increase. Should the City not agree with the requested increase, Contractor may either maintain the prices currently in effect, negotiate an acceptable increase with the City or terminate the contract.
- iii. The proposed percentage change between the current contract price and the requested price shall not exceed the percentage change between the Index in effect at the beginning of the current review period and the one in effect at the time the price increase is requested. Except in the case of emergency situations, the requested index related or non-index related price increase shall not exceed twenty percent (20%) for any single line item, and in no event shall the total amount of the contract be automatically increased as a result of the increase in any one or more line items made pursuant to this provision.
- iv. Since the perceived need for price increases may be due in whole or in part to factors other than index changes, the City may consider approving fully-documented increase requests which, in the Contractor's opinion, justify price increases for one or more line items in the contract. If index changes are responsible in part for the requested change, those changes shall be documented as previously described above.

C. Price Decreases

- i. Proposed price decreases may be offered to the City at any time, and become effective upon acceptance by the City unless a different effective date is specified by the Contractor. Request for price decreases by the City will be based on the same documentation as price increase request. Price decrease offers may also be subject to negotiation.
- ii. Price decreases based on relevant factors may be requested by the City at any time. Such requests shall be accompanied by a complete statement of the City's justification for the request. The Contractor shall have 30 calendar days to respond to the City's request. Following receipt of the Contractor's agreement with the requested decrease, the City may implement the decrease at any time. Should the Contractor not agree with the requested decrease, the City may either maintain the prices currently in effect, negotiate with the contractor, or terminate the contract.

15. **CONTRACT MANAGER**

The following person is designated as Contract Manager, and will act as the contact point between the City and the Contractor during the term of the Contract:

Tracy Gunderson

(512) 974-9079

*Note: The above listed Contract Manager is not the authorized Contact Person for purposes of the **NON-COLLUSION, NON-CONFLICT OF INTEREST, AND ANTI-LOBBYING Provision** of this Section; and therefore, contact with the Contract Manager is prohibited during the no contact period.

OVERVIEW

This document should be read in conjunction with the City of Austin’s Minority-owned and Women-owned Business Enterprise Procurement Program Ordinance for Professional Services (Chapter 2-9C of the Austin City Code) and the Small and Minority Business Resources Department (SMBR) Rules. The definitions contained in Chapter 2-9C apply to this document. Copies of Chapter 2-9C and SMBR Rules may be obtained online at <http://www.ci.austin.tx.us/smbr/rules.htm> or from SMBR, 4201 Ed Bluestein, Austin, Texas 78721 (512) 974-7600.

Firms or individuals submitting responses to this Request for Qualifications agree to abide by the City’s Minority-owned and Women-owned Business Enterprise (MBE/WBE) Procurement Program and Rules. The City’s MBE/WBE program is intended (1) to promote and encourage MBEs and WBEs to participate in business opportunities with the City of Austin; (2) to afford MBEs and WBEs an equal opportunity to compete for work on City contracts; and (3) to encourage consultants to provide subcontracting opportunities to certified MBEs and WBEs by soliciting such Firms for subcontracting opportunities. The City of Austin and its consultants shall not discriminate on the basis of race, color, national origin, disability, or gender in the award and performance of contracts.

The City encourages Proposers to achieve the MBE/WBE participation goals and subgoals for this contract. However, Proposers may comply with the City Code and Rules without achieving the participation goals so long as they make and document Good Faith Efforts that would allow MBE and WBE participation per Section 2-9B-21 of the City Code and Section 9.1 of the Rules. Proposers that do not meet the project’s goals and subgoals are subject to Good Faith Efforts review.

Prior to the due date and time specified in the City’s solicitation documents, all Proposers (including those Firms certified as MBE/WBEs) shall submit: (1) an *MBE/WBE Compliance Plan* (Appendix A); and (2) if the project goals are not met, all appropriate documentation to demonstrate Good Faith Efforts to meet the project goals. Any questions regarding preparation of the *Compliance Plan* should be directed to SMBR at (512) 974-7600. Such contact will not be a violation of the Anti-Lobbying Ordinance.

The City has implemented Anti-Lobbying Ordinance 20071206-045 (Chapter 2-7 of the Austin City Code). Under Chapter 2-7, there is a “no-contact” period from the date the City issues a solicitation until the contract is executed. During the “no-contact” period, a person responding to a City solicitation can speak only to the contract’s authorized contact person regarding their solicitation response. Chapter 2-7 allows certain exceptions; for instance, a person responding to a City solicitation may speak to SMBR regarding this *Compliance Plan*. See the full language of the Ordinance, City Chapter, or solicitation documents for further details.

If the *Compliance Plan* and Good Faith Efforts documentation are not submitted prior to the due date specified in the solicitation documents, the bid will be deemed non-responsive and not be accepted for consideration.

COMPLIANCE PLAN INSTRUCTIONS

(See Appendix A)

SMBR may request written clarification of items listed on the *Compliance Plan*. However, there will be no further opportunity for the Proposer to augment the MBE/WBE participation originally listed in the *Compliance Plan* or to demonstrate Good Faith Efforts that were not made prior to the submission of the *Compliance Plan*. Changes to the *Compliance Plan* are permitted only after contract execution and only with prior written approval of SMBR.

Please type or clearly print all information, use “none” or “N/A” where appropriate, and sign and date the *Compliance Plan* as indicated. Please fill in all the blanks and use EXACT numbers. DO NOT USE: “approximate,” “plus or minus (+ -),” “up to,” “to be determined (TBD),” “<”, “>”, or any other qualifying language.

***Compliance Plans* not complying with the *Compliance Plan* Instructions shall be rejected as non-responsive. Submissions not utilizing the forms provided with the solicitation may render the submission nonresponsive or noncompliant.**

Section I Project Identification and Goals

This section includes the pre-printed Project Name, Project/Solicitation Number, and goals and/or subgoals. The Proposer does not need to fill in any information under Section I.

Section II Proposer Information

The Proposer should complete this section with its information and sign in the space provided. The portion of Section II marked as “Reserved for City of Austin SMBR Only” should be left blank.

Section III *Compliance Plan* Summary

This section is a summary of subconsultant participation for this solicitation. Proposers should complete Sections IV-VI, described below, before attempting to complete Section III. After completing Sections IV-VI, calculate the percentage of MBE/WBE participation for each goal and enter the information in the blanks provided. Because Section III is a summary, if there are any inconsistencies between Sections IV-VI and Section III, the calculations contained in Sections IV-VI will prevail.

Section IV Disclosure of MBE and WBE Participation

Please list all certified MBE/WBEs subconsultants, using the legal name under which they are registered to do business with the City of Austin, to be used in the performance of this contract. If Proposer is not completing this *Compliance Plan* in response to a Rotation List solicitation, please list the percentage of the overall contract that corresponds with the value of the work the subconsultants will be performing themselves. Do not include the value of work that the MBE/WBEs subconsultants will be subcontracting to second-level subconsultants. **If Proposer is completing this *Compliance Plan* in response to a Rotation List solicitation, do not list the percentages.**

By listing certified MBE and WBE Firms on the *Compliance Plan*, the Proposer indicates that both parties acknowledge the price and scope of work and that they are prepared to contract for that price and scope if the City awards the project to the Proposer. A Letter of Intent (LOI) does not replace a binding contract between a prime consultant and a subconsultant.

Before completing Section IV of the *Compliance Plan*, please read the following instructions regarding how to count MBE/WBE participation:

(A) Only the value of the work actually performed by the MBE/WBE shall be counted toward the goals. This includes:

- (1) work performed by the MBE/WBE's own forces;
- (2) the cost of supplies, materials, or equipment purchased, leased, or otherwise obtained by the MBE/WBE for the work of the contract (except that supplies, materials, and equipment purchased or leased from the prime consultant or its affiliate may not be counted toward the goal); and
- (3) fees or commissions charged by an MBE/WBE for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of a contract, provided the fee is reasonable and not excessive as compared with fees customarily allowed for similar services.

(B) When a Proposer purchases supplies, materials, or equipment from an MBE/WBE, the cost of those supplies, materials, or equipment shall be counted toward the goals as follows:

- (1) If the supplies, materials, or equipment are obtained from an MBE/WBE that is a Manufacturer or Regular Dealer, 100 percent of the payment for the supplies, materials, or equipment shall be counted toward the goals.
- (2) If the supplies, materials, or equipment are obtained from an MBE/WBE that is neither a Manufacturer nor a Regular Dealer, the cost of the materials and supplies themselves shall not be counted toward the goals. However, fees or commissions charged for assistance in the procurement of the materials and supplies, or fees or transportation charges for the delivery of materials or supplies required on a job site, may be counted toward the goals if the payment of such fees is a customary industry practice and such fees are reasonable and not excessive as compared with fees customarily allowed for similar services.

(C) When an MBE/WBE subconsultant listed on the *Compliance Plan* subcontracts part of the work of its contract to another Firm, the value of that second-level subcontracted work may not be counted toward the goals based on the initial subconsultant's MBE/WBE certification. Please see Section VI for an explanation of how to count the value of second-level subconsultants' work.

(D) A Firm owned by a minority woman may be certified as both an MBE and a WBE (dual certified). On a single contract, the value of the work performed by a dual certified subconsultant may not be counted toward both the MBE and the WBE goals. The Proposer must decide whether to designate

the dual certified subconsultant as an MBE or a WBE in the *Compliance Plan* for the purpose of meeting the goals set for that contract. That designation may not be changed for the duration of the contract.

(E) When an MBE/WBE performs as a participant in a certified Joint Venture, only the portion of the contract value that is the result of the distinct, clearly defined portion of the work that the MBE/WBE performs with its own forces and for which it is at risk shall be counted towards the project goals. For more specific information regarding requirements and evaluations of certified MBE/WBE Joint Ventures, please see the City's MBE/WBE Procurement Program Rules or contact SMBR's Certification Division.

(F) Only expenditures to an MBE/WBE contractor that is performing a Commercially Useful Function shall be counted toward the project goals. If SMBR makes an initial determination that an MBE/WBE is not performing a Commercially Useful Function given the type of work involved and normal industry practices, the MBE/WBE may present evidence to rebut this presumption.

(G) To be counted toward project goals, MBE/WBEs must be certified by SMBR prior to the due date to submit the *Compliance Plan* as specified in the City's solicitation documents. A Firm that is certified as an MBE/WBE at the time that the *Compliance Plan* is filed may cease to be a certified Firm before the contract is completed. Only the value of the work performed by such a Firm while it is certified may be counted toward the project goals.

Section V Disclosure of Non-Certified Subconsultants

Please list all known non-certified subconsultants, using the legal name under which they are registered to do business with the City of Austin, to be used in the performance of this contract. If Proposer will not use any non-certified Firms, please write "N/A" in the first box on this page. If Proposer is not completing this *Compliance Plan* in response to a Rotation List solicitation, please list the percentage of the overall contract that corresponds with the value of the work the subconsultants will be performing themselves. Do not include the value of work that the MBE/WBE subconsultants will be subcontracting to second-level subconsultants. **If Proposer is completing this *Compliance Plan* in response to a Rotation List solicitation, do not list the percentages.**

If additional scopes of work are identified in this section as available for subcontracting beyond those identified in the availability lists provided, Proposer must contact SMBR to request an availability list of certified Firms for those additional scopes of work.

The scopes of work indicated in Section V will be considered subcontracting opportunities for MBEs and WBEs, unless it is demonstrated that certified MBEs or WBEs are unavailable or do not possess the requirements in the technical portion of the solicitation to perform the work involved. If Proposer did not meet the project goals, Proposer must explain in the space provided why MBEs/WBEs were not used as subconsultants. If Proposer did meet the project goals, please write "Goals Met" in the space provided.

Section VI Disclosure of Second-Level Subconsultants

Please complete this section if Proposer knows that one or more of Proposer's subconsultants will subcontract part of the work of their contracts to second-level subconsultants. In the last line of each entry box, please write the name of the first-level subconsultant that will be subcontracting work to the

second-level subconsultant. Identify second-level contractors by the legal name under which they will be registered to do business with the City. The first-level subconsultant should be listed in Section IV or Section V. If Proposer is not aware of any second-level subconsultants, please write “N/A” in the first box on this page.

If Proposer is not completing this *Compliance Plan* in response to a Rotation List solicitation, please list the percentage of the overall contract that corresponds with the value of the work the second-level subconsultants will be performing themselves. **If Proposer is completing this *Compliance Plan* in response to a Rotation List solicitation, do not list the percentages.**

As discussed in Section IV above, when an MBE/WBE subconsultant subcontracts part of the work of its contract to another Firm, the value of that second-level subcontracted work may not be counted toward the goals based on the initial subconsultant’s MBE/WBE certification. The value of the second-level subcontracted work may be counted toward the project goals only based on the second-level subconsultant’s own MBE/WBE certification, if any. Work that an MBE/WBE subconsultant contracts to a non-certified Firm does not count toward the goals. Work that an MBE/WBE subconsultant contracts to another certified Firm shall not be counted twice towards the goal.

Section VII MBE/WBE *Compliance Plan* Check Sheet

Please complete the MBE/WBE *Compliance Plan* Check Sheet with the information requested.

GOOD FAITH EFFORTS INSTRUCTIONS

(See Appendices B and D)

The Proposer has a responsibility to make a portion of the work available to MBE/WBE subconsultants so as to facilitate meeting the goals or subgoals. If the Proposer cannot achieve the goals or subgoals, documentation of the Proposer's Good Faith Efforts to achieve the goals or subgoals must be submitted at the same time as the *Compliance Plan*. The SMBR Director will review the documentation provided and determine if the Proposer made sufficient Good Faith Efforts. That there may be some additional costs involved in soliciting and using MBEs and WBEs is not a sufficient reason for a Proposer's failure to meet the goals and subgoals, as long as such costs are reasonable. However, a Proposer is not required to accept a higher quote from a subconsultant in order to meet a goal or subgoal.

Contacting Potential MBE/WBE Subconsultants

The City has determined the scopes of work for this project and provided an Availability List of all the MBE and WBE firms certified to perform those scopes. The Availability List is found at Appendix D and has two sections: *Vendors Within the Significant Local Business Presence (SLBP) Area* and *Vendors Outside the Significant Local Business Presence (SLBP) Area*. As part of Good Faith Efforts, Proposers **must** contact **all** the firms in the *Vendors Within the SLBP Area* section. Please note that every firm on the Availability List – within and outside the SLBP – is certified as an MBE or WBE for purposes of meeting the project goals, and Proposers are encouraged to contact all the firms. If a Proposer identifies an additional scope of work for this project, the Proposer must request an Availability List for that scope. The SMBR Director determines whether the Proposer has made sufficient Good Faith Efforts if goals or subgoals are not met.

The City neither warrants the capacity nor guarantees the performance of any Firm indicated on the availability list.

The availability list is sorted in numerical sequence by National Institute of Governmental Purchasing (NIGP) Commodity Code. It includes all certified MBE/WBE vendors for the scopes of work identified by the City as being potentially applicable to this project. However, the availability list is not a comprehensive identification of all areas of potential subcontracting opportunities. If a Proposer identifies one or more work areas that are appropriate subcontracting opportunities that not included on the availability list, the Proposer shall contact SMBR to request the availability of MBE and WBE Firms in those areas. Requests for supplemental availability lists will be evaluated as a part of the Proposer's Good Faith Efforts to meet the goals.

If the Proposer believes any of the work areas on the availability list are not applicable to the project's scope of work or if the Proposer believes that the lists are inaccurate, notify the authorized contact person of the concern. All Proposers will be notified in writing of any inaccuracy by addendum to the solicitation. Concerns about a particular MBE's/WBE's certification status may be addressed to SMBR at (512) 974-7600 or the SMBR Certification Division at (512) 974-7645. If the Proposer wants to use a certified subconsultant that does not appear on this list, Proposer may either request the certified subconsultant to furnish proof of certification and the specific work areas for which it has been certified or request such information from SMBR.

Appendix B shows the format for collecting required information from the subconsultants on the *Vendors Within SLBP Area* availability list. The information must be obtained at least seven (7) business days prior

to the submission of the *Compliance Plan*; alternate formats may be acceptable as long as they gather the same required information. Attached to the Subconsultant Vendor List at Appendix D is a list containing the names and addresses of all these MBE/WBE Firms in alphabetical order. This list is in label format and is designed to facilitate the printing of mailing labels.

The following codes are used on the availability lists:

GND	A firm's two-digit gender/ethnicity code (e.g., FA, MA, or FB)	LCTN	A firm's two-digit location code (e.g., SL or TX)
FA	Female / Asian-American	FN	Female / Native American

FB	Female / African-American	FW	Female
MB	Male / African-American	SL	Significant Local Business Presence (SLBP)
FH	Female / Hispanic	TX	Outside SLBP
MH	Male / Hispanic		
MBE	A firm certified as a Minority-owned Business Enterprise	WBE	A firm certified as a Woman-owned Business Enterprise
M/WB	A firm certified as both a Minority-owned & Woman-owned Business Enterprise	W/MB	A firm certified as both a Minority-owned & Woman-owned Business Enterprise
M/WDB	A firm certified as a Minority-owned; Woman-owned; and Disadvantaged Business Enterprise	W/MDB	A firm certified as a Minority-owned; Woman-owned; and Disadvantaged Business Enterprise

Good Faith Efforts Review

If goals are not met, SMBR will examine the *Compliance Plan* and the Good Faith Efforts documentation submitted with the *Compliance Plan* to ensure that the Proposer made Good Faith Efforts to meet the project goals or subgoals. In determining whether the Proposer has made Good Faith Efforts, SMBR will consider, at a minimum, the Proposer's efforts to do the following:

- (A) Solicit certified MBE/WBE subconsultants with a Significant Local Business Presence (SLBP) and request a response from those interested subconsultants who believe they have the capability to perform the work of the contract through at least two reasonable, available, and verifiable means. The Proposer must solicit this interest more than seven (7) business days prior to submission of the Compliance Plan to allow sufficient time for the MBEs or WBEs to respond. (The date bids/proposals are due to the City should not be included in the seven day solicitation criteria.) The Proposer must take appropriate steps to follow up with subcontractors who respond. The Proposer must state a specific and verifiable reason for not contacting each certified Firm with a significant local business presence.

- (B) Provide interested MBEs/WBEs with adequate information about the plans, specifications, and requirements of the contract, including addenda, in a timely manner, to assist them in responding and submitting a proposal.
- (C) Negotiate in good faith with interested MBEs/WBEs that have submitted bids/proposals to the Proposer. An MBE/WBE that has submitted a bid to a Proposer but has not been contacted within five (5) business days of submission of the bid may contact SMBR to request a meeting with the Proposer. Evidence of good faith negotiation includes the names, addresses, and telephone numbers of MBEs/WBEs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why additional agreements could not be reached for MBEs/WBEs to perform the work. Bid shopping is prohibited.
- (D) Select portions of the work to be performed by MBEs/WBEs in order to increase the likelihood that the MBE/WBE goals or subgoals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE/WBE participation, even when the Proposer might otherwise prefer to perform these work items with its own forces.
- (E) Publish solicitation notice in a local publication (i.e. newspaper, trade association publication, or via electronic/social media).
- (F) Use the services of available community organizations; minority persons/women contractors' groups; local, state, and federal minority persons/women business assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of MBEs/WBEs.
- (G) Seek guidance from SMBR on any questions regarding compliance with this section.

The following factors may also be considered by SMBR in determining compliance through good faith efforts; however, they are not intended to be a mandatory checklist, nor are they intended to be exclusive or exhaustive:

- (A) Whether the Proposer made efforts to assist interested MBEs/WBEs in obtaining bonding, lines of credit, or insurance as required by the City or contractor.
- (B) Whether the Proposer made efforts to assist interested MBEs/WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.

In assessing minimum good faith efforts, SMBR may consider whether the Proposer sought assistance from SMBR on any questions related to compliance with this section. In addition, SMBR may also consider the performance of other Proposers successfully meeting the goals.

The ability or desire of a Proposer to perform the work of a contract with its own organization does not relieve the Proposer of the responsibility to make Good Faith Efforts.

Proposers may reject MBE/WBEs as unqualified only following thorough investigation of their capabilities. The MBE/WBE's membership or lack of membership in specific groups, organizations, or associations, and political or social affiliations (for example union or non-union employee status), are not legitimate causes for the rejection or non-solicitation of bids/proposals in the Proposer's efforts to meet the project goals or subgoals.

At a minimum, the following should be submitted to support Good Faith Effort documentation (documentation is not limited to this list):

- Fax logs, emails, and/or copies of documents sent to firms within the SLBP area.
- Copies of written correspondence to certified firms (include names, addresses, and other identifying information).
- Phone logs with responses (*Phone contacts, alone, will not be sufficient.*).
- Lists and copies of letters sent by mail, hand delivered, or e-mailed.
- Breakdown of negotiations made with certified firms.
- Copies of advertisements with local newspapers, trade associations, Chambers of Commerce and/or any other public media.
- Other communications regarding contacts with trade associations and Chambers of Commerce.

The following additional Good Faith Efforts factors may also be considered

- Copies of emails or phone logs regarding assistance in bonding, lines of credit, or insurance (as required by City or Contractor).
- Copies of emails or phone logs regarding assistance in obtaining equipment, supplies, materials, or services.
- Copies of all proposals received in response to Proposer contacting other Firms.

POST-AWARD INSTRUCTIONS

(See Appendix C)

Confirmation Letters

All Proposers are required to include copies of the confirmation letters received from subconsultants, confirming the Subconsultants' willingness to provide services should the contract be awarded.

Changes to the *Compliance Plan* including additions, deletions, contract changes, or substitutions of subconsultants are permitted only after contract execution and only with prior written approval of SMBR. Request for changes to the *Compliance Plan* must be submitted on the *Request for Change of Compliance Plan Form* for all levels of subcontracting.

Post-Award Monitoring

The City will monitor post-award compliance information regarding the use of certified MBE/WBE Firm(s) listed on the *Compliance Plan*. The Consultant will be required to submit post award reports detailing the utilization of all Subconsultants. The reports and other information regarding post-award compliance will be discussed with the successful Proposer. The following information on Payment Verification, Change Order/Contract Amendments, and Progressive Sanctions provides an overview of some of the post-award monitoring process.

- **Payment Verification**

Proposers are advised that the contract resulting from this solicitation includes a subconsultant payments clause. This clause requires all subconsultants to be paid within ten (10) calendar days from the date that the Consultant has been paid by the City for invoices submitted by subconsultants.

The Consultant shall submit a *Subcontractor/Supplier Awards and Expenditures Report* to the project manager and/or contract administrator at the time specified by the managing department. The report shall be in the format required by the City and shall include all awards and payments to subconsultants for goods and services provided under the contract during the previous month. This report may be used by the City to verify utilization of and payment to MBEs and WBEs.

The Consultant and/or any subconsultant whose subcontracts are being counted toward the MBE/WBE requirements shall allow the City access to records relating to the contract, including but not limited to, subcontracts, payroll records, tax information, and accounting records, for the purpose of determining whether the MBEs/WBEs are performing the scheduled subcontract work.

In determining achievement of MBE/WBE goals, the participation of an MBE/WBE subconsultant shall not be counted until the amount being counted toward the goal has been paid.

- **Change Order/Contract Amendments**

The goals on this contract shall also apply to change orders that require work beyond the scope(s) of trades originally required to accomplish the project. The Consultant is required to make Good Faith Efforts to obtain MBE/WBE participation for additional scopes of work.

Change orders that do not alter the type of trades originally required to accomplish the project may be undertaken using the subconsultants already under contract to the Consultant. Project managers will have automatic SMBR approval to authorize any change order that **increases** the contract amount for an **existing** certified subcontractor and is **within** the existing scope being performed by that subcontractor.

- **Progressive Sanctions**

The successful Proposer's *Compliance Plan* will be incorporated into the resulting contract with the City and shall be considered part of the contractor's performance requirements. Progressive sanctions may be imposed for failure to comply with Chapter 2-9B of the City Code, including:

- Providing false or misleading information in Good Faith Efforts documentation, post award compliance, or other Program operations;
- Substituting Subconsultants without first receiving approval for such substitutions, which may include the addition of an unapproved Subconsultant and failure to use a Subconsultant listed in the approved *Compliance Plan*; and
- Failure to comply with the approved *Compliance Plan* without an approved Request for Change, an approved Change Order, or other approved change to the Contract.

Please refer to Section 2-9B-25 of the City Code and SMBR Rule 11.5 for additional information.
