

**ADDENDUM  
CITY OF AUSTIN, TEXAS**

---

**Solicitation: RFPJTH0306 Addendum No: 5 Date of Addendum: 9/14/16**

---

This addendum is to incorporate the following changes to the above referenced solicitation:

**I. Clarifications:**

**II. Questions:**

7. Q: Regarding the request for digital submissions, can a thumb drive be submitted?  
A: Yes, and it should be 8 thumb drives with vendor submissions.
8. Q: Should each Addendum be printed and signed?  
A: Yes, per the instruction on the Addenda.
9. Q: What is the vendor requirement with regards to MBWEs, if they subcontract?  
A: Purchasing Manager will submit an attached to the addendum.
10. Q: Are all questions due by October 11<sup>th</sup>? How long will it take to respond to each question, and will it be dynamic? When will the Q&A responses be published?  
A: Yes, the Purchasing Manager will strive to respond in a timely fashion, at least within a day or two.
11. Q: Is there a published list of MBE/WBE certified sub-contractors?  
A: See Attachment 1, and 2 to this Addendum provided by Austin SMBR.
12. Q: Please clarify what does it mean that payment will be at 100% upon acceptance?  
A: The City will pay for the product when the project is complete and implemented to the City's satisfaction.
13. Q: What is the history with this project? My understanding was the Council approved a purchase and that you already started working with a vendor spent \$2.5M then stopped?  
A: City Council approved the Court to go into discussions with the current vendor about an upgrade. The Council approved the Court to pursue discussions with the current vendor for an upgrade and then decided to go pursue a request for purchase.

14. Q: What is the current product/vendor?  
A: The existing system is JEMS-CSDC
15. Q: My understanding from the RFP is there are 3 primary systems that will require data migration; JEMS, DACC (Downtown Austin Community Court), and Prosecutor?  
A: We have migrated most of DACC to JEMS. But there is social case management pieces that could not be migrated to JEMS, so there is a small sub-section that will need to be mapped to the new system. The Prosecutors are not using a system at this time. We do want one court system and if it is presented as a Prosecutor module, where the shared points meet, we are open to that strategy.
16. Q: What constitutes Product Acceptance?  
A: The system needs to be implemented to the satisfaction to the customer.
17. Q: What if the City is responsible for a delay in the product being implemented, may the vendor be compensated for the delay?  
A: It depends what the delay is. The City will want to work with the vendor.
18. Q: What is the proposed timeframe for completion?  
A: It depends on the product that is selected. It is required vendors include a proposed schedule.
19. Q: Interfaces; parts of the document specify interfaces? Are they true interfaces or user interfaces? Can I have a list of those vendors for which there are interfaces?  
A: There is a short cut for our AV Interface in the software. We have a preference for a real time, web based interface. We aren't dictating how that happens. Some of the vendors might change over the course of these negotiations, so we are not comfortable publishing a list.
20. Q: Will the attendee list be published?  
A: Yes, and the list is published as Attachment 3 to this Addendum.
21. Q: Would the City accept proposals with an Agile Development process in order to reduce time, cost, and risk on this project?  
A: If Agile methodology is proposed for software development, as well as Agile Project Management methodology, vendors are expected to explain in detail their responses to **Section 0600, Tab 9 – Project Management**. Notwithstanding this approach, all parts of the packet (requirements included) must be completed and submitted.
22. Q: If I am going to use subcontractors on this job, what am I required to do to demonstrate a Good Faith Effort of using certified Minority and Women Owned Businesses?  
A: You are required, under any circumstances to submit the 0900 indicating whether you will be using subcontractors or not and signing it. If you check yes on that form, you are required to

make Good Faith Efforts to subcontract with City certified MBE and WBE businesses (list provided at Attachment 1 and 2). You are then required to complete the 0900 form indicating subcontractors used and submit it along with evidence showing Good Faith Effort in your proposal. The Attachment 4 is provided from Austin's SMBR group and indicates what is a Good Faith Effort. If you are subcontracting, please submit evidence of Good Faith Effort with your proposal.

**III. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.**

APPROVED BY:  9/14/16

## No Goal Projects Good Faith Effort Requirements

**POLICY:** The City of Austin and its contractors shall not discriminate on the basis of race, color, national origin, disability, or gender in the performance of contracts.

### COUNTING PARTICIPATION (2-9A-20)

Listing City certified firms on the MBE/WBE No Goal Utilization Plan means that firms agree to both the price and scope of work. The MBE/WBE No Goal Utilization Plan shall list all firms that will participate on the contract.

- Only City of Austin certified MBE/WBE firms will be counted.
- Certified MBE/WBE firms may count their own participation, less any amount subcontracted.
- Use only the base bid amount or the proposal amount to calculate your MBE/WBE participation.

### **ALL BIDDERS MUST PROVIDE GOOD FAITH EFFORT DOCUMENTATION IF NON-MBE/WBE FIRMS ARE IDENTIFIED ON THE MBE/WBE NO GOAL UTILIZATION PLAN.**

#### GOOD FAITH EFFORTS – NO GOAL PROJECTS (ONLY)

The City has determined that no goals are appropriate for this project. Even though no goals have been established, the Bidder/Proposer is required to comply with the City's MBE/WBE Procurement Program if areas of subcontracting are identified. If any service is needed to perform work on the contract and the Bidder does not perform the service with its own workforce and the Bidder does not have the supplies or materials in its inventory, the Bidder shall contact the Small & Minority Business Resources Department at (512) 974-7600 to obtain a list of MBEs and WBEs to perform the service or provide the supplies or materials. The Bidder must make a good faith effort to use available MBE and WBE firms.

#### **At a minimum, the following should be submitted to support Good Faith Effort documentation:**

- Solicitation notices sent to MBE/WBE firms **in the** Significant Local Business Presence (SLBP – 5 Counties include Travis, Hays, Williamson, Bastrop, and Caldwell) identified on the availability list for subcontracting opportunities. (e.g. email, fax, or mail).
  - Such as evidence of written notice includes copy of letters (solicitation notice) that was sent by email, fax, or mail.**
- Written correspondence to certified vendors should include names, addresses, and other identifying information including your company's phone number, contact person, where to locate plans and specifications; and due date for responding.
- Take appropriate steps to follow up the initial solicitation with interested MBEs or WBEs.
  - Submit copies of written responses from all respondents to your solicitation.**
  - If interested MBEs or WBEs responded, document follow up on log of contacts and include date and contact information**
- Bidder/proposer must state a specific and verifiable reason for not contacting each certified firm with a SLBP.
  - If MBEs and WBEs were not sent solicitation notices, document reason on log of contacts.**

**Bidders are not required to accept higher quotes.**

**FAILURE TO COMPLY WITH THE MBE/WBE PROCUREMENT PROGRAM WILL RESULT IN REJECTION OF YOUR BID/PROPOSAL.**

Small & Minority Business Resources  
*Opening the door to opportunities.*

## **SMBR's Plan Room**

The City of Austin's Small & Minority Business Resources (SMBR) Department has a Plan room for viewing City of Austin project plans and specifications as well as other local, private, and public sector jobs. In addition, SMBR and McGraw-Hill Dodge have partnered to provide contractors up-to-date construction project information, plans and specification through the Internet. Projects include public and private sector opportunities in 100 South and Central Texas counties.

### ***Where is the Plan Room?***

It's located at the offices of SMBR  
4201 Ed Bluestein Blvd.  
Austin, TX 78721

### ***How much will it cost?***

There are no fees to access the information. There are minimal fees for copying and printing of plan and specification sheets.

### ***What are my next steps?***

Attend a free one-hour orientation session to learn how to operate the on-line service. Contact Genia Browder at (512) 974-7799 to make an appointment or for more information.

For more information or to view a list of projects currently available in the Plan Room visit website at [www.austintexas.gov/smbr](http://www.austintexas.gov/smbr) under the Plan Room projects.

## **BONDING**

SMBR's Bonding Financial Consultant is available to educate and assist vendors with Bonding. Luke Ortega Luper can be reached at 512-974-7733 or by email at [Luke.Luper@austintexas.gov](mailto:Luke.Luper@austintexas.gov). Keep in mind that SMBR does not issue bonds; however, we do provide our bonding resource program as a free and confidential service to our business owners.
