

**ADDENDUM
CITY OF AUSTIN, TEXAS**

Solicitation: RFPJTH0308 Addendum No: 2 Date of Addendum: 8/30/16

This addendum is to incorporate the following changes to the above referenced solicitation:

I. Clarifications:

II. Questions:

- 1. Q) May companies from outside of the USA apply for this work (ie, India or Canada)?
 - A) Yes, but they must be available to attend meetings in person on an as needed basis.
- 2. Q) Do vendors need to come to Austin, Texas for meetings?
 - A) Yes, on an as needed basis, however, we would need to speak to the vendor about availability overall. The unknowns at this time include how often and what type of meetings might be required. Additionally purchasing deadlines may require in person availability.
- 3. Q) Can the vendor perform the tasks (related to the RFP) outside of the USA (ie, from India or Canada)?
 - A) Some of the tasks may require the vendor be on site. Also, there are concerns if there are any Criminal Justice Information System (CJIS) or CJI type security data that may be involved in the project that should not be outside of the US. That could be a critical because of requirements to stay within the limits of the US (or US data centers).
- 4. Q) Can the vendor submit proposals by email?
 - A) No the City does not accept proposals by email.

III. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
