

ADDENDUM
PURCHASING OFFICE
CITY OF AUSTIN, TEXAS

REQUEST FOR PROPOSAL: **TVN0042** ADDENDUM NO. **3** DATE OF ADDENDUM: **August 19, 2014**

This addendum is to incorporate changes to the above referenced solicitation:

I. Clarifications:

- 1. The closing date has been extended until 8/28/2014. Proposals will be accepted until 2:00 pm on 8/28/2014.**
- 2. Page 3 of Exhibit H (Cost Sheet) for PreAuthorized Services incorrectly shows the count for “Peer” as 102. The correct amount for the past contract year was 275. Exhibit H has been replaced with an updated version (document RFP TVN0042ATT10-R – Exhibit H – Cost Sheet – REVISED) to correct this error.**
- 3. Page 3 of Exhibit H also did not allow for data entry in the “TOTAL FOR EACH OPTION” ROW at the bottom. This has also been corrected on the new version.**

II. Questions:

- Q1:** In Section 500, Scope of Work, Page 8 of 23 (n.ii) it refers to Page 28 10.C. Can you confirm where that is located in the RFP?
- A1:** **That specific line has been removed from the solicitation. Refer to Section 17 of the Scope of Work.**
- Q2:** In Section 500, Scope of Work, Page 8 of 23 (o.ii, iii and iv; q.iii) can you clarify the term “rejections” are related to the EDI submission. If not, what does it relate to? What corrections, other than EDI, would be required?
- A2:** **Confirm this item relates to the EDI submissions**
- Q3:** Please confirm the Compliance Plan and Good Faith efforts documentation for M/WBE is due at the same time of the response to the RFP scheduled for August 20, 2014 at 2:00 p.m.
- A3:** **Confirmed. However the closing date has been extended until 8/28/2014 (see Clarification I above).**
- Q4:** In Section 600, Proposal Preparation Instructions and Evaluation Factors, Page 2, Part III, No 2.G the statement references II.A in the Scope of Work. Was this intended to be a reference to III.A?
- A4:** **Yes, reference III.A was the intent.**
- Q5:** In Section 600, Proposal Preparation Instructions and Evaluation Factors, Page 3, Part III, No 2.S the request is for statements from both the Prime and Subcontractors for compliance with Federal, State and Local governing entities. Does the City require a separate statement from each Prime and Subcontractor for each governing entity or will the City accept an overall statement of agreement, within the response?
- A5:** **The City will accept an overall statement of compliance.**
