Hightower: B-03/F37 Edelmann Custom Leather has not yet been approved by manufacturer, test is needed. The specified half hide leather size, may need to be pieced on the ottoman tops and will show seaming. Pattern matching may not be possible. The manufacturer recommends a full hide leather if possible. Is there an alternate full hide leather that you would like us to price for L-23F37?
 Ayre Bench due to the thickness, Ayre Bench (BP8-- B-03/F37 Level 1)?

SEE BELOW

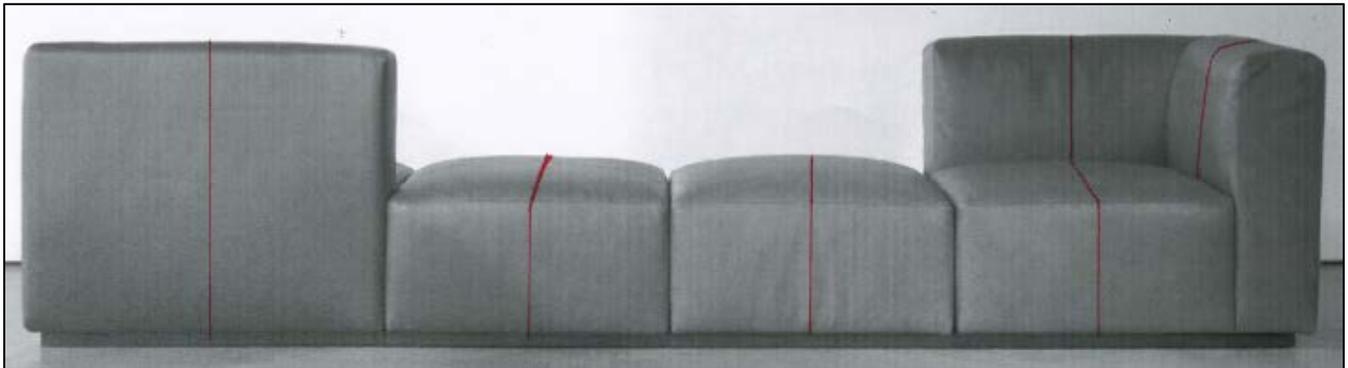

- Due to the size of the specified leather hide, an extra seam will be needed in the middle of all of the back and seat cushions. The base of the Sofa (armrest and back) will also need extra seams, but these are not as visible as the surface seams.

- The leather repeat cannot be matched on L-04AF13, L-04BF13, L-04CF13.

- Please be aware that the seams will definitely change the look of the sofa (see image below).

Please verify if the currently specified leather should be used/priced given the above limitations or if a new COL will be selected.

Seaming visual if half hide leather is used:

F13- Please confirm the color number for F13; 678142 is not identifiable as an Edelman Leather color.

ANSWER FOR L-04AF13, L-04BF13, L-04CF13

COL remains F-13 Half Hide - Custom color TLC 220 Shakespeare

Seaming:

top seat: quadrant and not just a center seam

Sides: Center seam

Pieces should have top stitching

Make sure a balanced panel is provided so all are center on the repeat.
