

**ADDENDUM
CITY OF AUSTIN, TEXAS**

Solicitation: 7800 SLW0203REBID

Addendum No: 1

Date of Addendum: 01/19/2016

This addendum is to incorporate the following changes to the above referenced solicitation:

I. Questions:

Q1: What percent of towing is outside of Travis County?

A1: The estimated mileage of tows outside the County for each weight class is located in the 0600B Cost Sheet.

Q2: How are tows outside of the County charged?

A2: The rate for towing in the County will be a base rate. Once outside the County limits, only loaded mileage will be charged based on what is proposed in 0600B.

Q3: Who is the current vendor for these services and what is the contract number?

A3: The current vendor is Aus-Tex Towing. The current contract number is NA100000025.

Q4: Is the equipment list provided necessary at the time of proposal submission?

A4: Yes.

Q5: Is it the City's intention to award to multiple vendors?

A5: The City can award based on line item, category, or the full contract. It will be decided as what is most advantageous to the City. A vendor is certainly able to bid on one line item or one weight category if they cannot fulfill service of the entire contract.

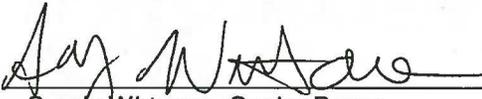

Q6: Is there any City ordinances dictating limits on the rates that can be charged?

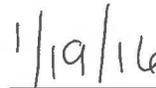

A5: No to the department's knowledge.

II. Additional Information: The pre-proposal sign in log is attached.

III. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
