TO: Firms Requesting RFQ Package

SUBJECT: RFQ for South Austin Regional Wastewater Treatment Plant Electrical Substation
No. 1 Replacement
Solicitation Number CLMP126
CLARIFICATION NO. 1

CLARIFICATION NO. 1

This is in response to questions received that warranted clarification.

1. Question:

Will existing one-lines and general arrangements for the existing substations at the South Austin Regional Wastewater Treatment Plant, along with any other station drawings, and an overall schematic of the plant including the main feeds into the existing substations, be made available?

Response:

As-built plans are available to view at the plant. Additional site visits will also be allowed upon request. Requests to review plans and/or visit the site must be coordinated in advance through Daniel Layton (Daniel.Layton@austintexas.gov or 512-974-7093). The City will not provide copies or allow the plans to be copied.

This document is for clarification purposes only. All other information in the RFQ remains unchanged. Please remember this solicitation is currently in a "No Contact" period and all inquiries should be directed to the appropriate contact persons listed in the solicitation. If you have questions regarding this process, please call me at (512) 974-6203. You may also contact Daniel Layton, Project Manager at (512) 974-7093 for project related questions. If you have any additional questions regarding the compliance plan, please contact the SMBR office at (512) 974-7600.

Sincerely,
