- (i) an owner, board member, officer, employee, contractor, subsidiary, joint enterprise, partnership, agent, lobbyist, or other representative of a respondent;
- (ii) a person or representative of a person that is involved in a joint venture with the respondent, or a subconsultant in connection with the respondent's response; and
- (iii) a respondent who has withdrawn a Response or who has had a Response rejected or disqualified by the City.

(I) "Representation" means a communication related to a response to a council member, official, employee, or City representative that is intended to or that is reasonably likely to:

- (i) provide information about the Response;
- (ii) advance the interests of the Respondent;
- (iii) discredit the Response of any other respondent;
- (iv) encourage the City to withdraw the RFQ;
- (v) encourage the City to reject all of the responses;
- (vi) convey a complaint about a particular response; or
- (vii) directly or indirectly ask, influence, or persuade any City official, City employee, or body to favor or oppose, recommend or not recommend, vote for or against, consider or not consider, or take action or refrain from taking action on any vote, decision, or agenda item regarding the solicitation.

(J) "City" means Owner.

(2) Restrictions on Contacts

(A) During a no-contact period, a Respondent shall make a representation only through the authorized contact person.

(B) During the no-contact period, a Respondent may not make a representation to a City official or to a City employee other than to the authorized contact person. This prohibition also applies to a vendor that communicates and then becomes a Respondent.

- (C) The prohibition of representation during the no-contact period applies to a representation initiated by a Respondent, and to a representation made in response to a representation initiated by a City official or a City employee other than the Authorized Contact Person.
 - (D) If the City withdraws an RFQ or rejects all Responses with a stated intention to reissue the same or similar RFQ for the same or similar project, the no-contact period shall expire after the ninetieth day after the date the RFQ is withdrawn or all Responses are rejected if the RFQ has not been reissued during the 90-day period.
 - (E) For a single vendor award, the no-contact period shall expire when the first of the following occurs: contract is executed or solicitation is cancelled
 - (F) For a multiple vendor award, the no-contact period shall expire when the last of the following occurs: all contracts are executed, negotiations have been fully terminated, or the ninetieth day after the solicitation is cancelled.
 - (G) The purchasing officer or the director may allow respondents to make representations to city employees or city representatives in addition to the authorized contact person for a solicitation that the purchasing officer or the director finds must be conducted in an expedited manner; an expedited solicitation is one conducted for reasons of health or safety under the shortest schedule possible with no extensions. The purchasing officer's or director's finding and additional city employees or city representative who may be contacted must be included in the solicitation documents.
 - (H) Representation to an independent contractor hired by the City to conduct or assist with a solicitation will be treated as representations to a City employee.
 - (I) A current employee, director, officer, or member of a respondent, or a person related within the first degree of consanguinity or affinity to a current employee, director, officer or member of a respondent, is presumed to be an agent of the respondent for purposes of making a representation. This presumption is rebuttable by a preponderance of the evidence as determined by the purchasing officer or director.
 - (J) A respondent's representative is a person or entity acting on a respondent's behalf with the respondent's request and consent. For example, a respondent may email their membership list and ask members to contact council members on the respondent's behalf. The members are then acting per respondent's request and with their consent, and the members have become respondent representatives.
- (3) Permitted Representations
- (A) If City seeks additional information from respondent, the Respondent shall submit the representation in writing **only** to the authorized contact person. The contact person will then distribute the written representation in accordance with the

terms of the RFQ. A Respondent cannot amend or add information to a Response after the Response deadline.

- (B) If respondent wishes to send a complaint to the City, the respondent shall submit the complaint in writing only to the authorized contact person. The authorized contact person will then distribute a complaint regarding the process to members of the City Council or members of the City board, to the director of the department that issued the solicitation, and to all respondents of the RFQ. However the director shall not permit distribution of any complaint that promotes or disparages the qualifications of a respondent, or that amends or adds information to a response. A determination what constitutes promoting or disparaging the qualifications of a respondent or constitutes amending or adding information is at the director's sole discretion.
- (C) If a Respondent submits a written inquiry regarding an RFQ, the authorized contact person will provide a written answer and distribute both the inquiry and answer to all Respondents on the RFQ.
- (D) If a Respondent does not receive a response from the authorized contact person, the Respondent may contact the director as appropriate.
- (E) A respondent may ask a purely procedural question, for example a question regarding the time or location of an event or where information may be obtained, of a City employee other than the authorized contact person. No suggestions or complaints about the contract process that constitute a representation to a City employee is allowed. A respondent may not ask a procedural question to a Council member, a council member's aide, or of a City board member except in a meeting held under the Texas Government Code, Chapter 551 (Open Meetings Act).
- (F) The Anti-Lobbying ordinance allows representations:
 - (1) made at a meeting convened by the authorized contact person, including meetings to evaluate responses or negotiate a contract;
 - (2) required by protest procedures for vendors;
 - (3) made at a protest hearing;
 - (4) provided to the Small & Minority Business Resources Department in order to obtain compliance with the MBE/WBE Procurement Program Ordinance;
 - (5) made to the City Risk Management coordinator about insurance requirements for a solicitation;
 - (6) made public at a meeting held under the Open Meetings Act; or
 - (7) made from a respondent's attorney to an attorney in the Law Department in compliance with Texas Disciplinary Rules of Professional Conduct.

- (G) Nothing in the Anti-Lobbying Ordinance prohibits communications regarding the solicitation between or among City official or City employees acting in their official capacity.
- (H) A contribution or expenditure defined in Chapter 2-2 (Campaign Finance) is not a representation.
- (4) Contract Voidable. If a contract is awarded to a Respondent who has violated these Anti-Lobbying & Procurement provisions, the contract is voidable by the Owner.
- (5) Debarment. If a Respondent has been disqualified under these provisions more than two times in a sixty month period the purchasing officer shall debar the responder from responding for a period not to exceed three years, provided the Respondent is given written notice and a hearing in advance of the debarment.

IV. Award and Execution of Contract

Contract Management Director shall submit recommendation for award to the City Council for those project awards requiring City Council action. Contract will be signed by City Manager or his/her designee after award and submission of required documentation by consultant. Contract will not be binding upon OWNER until it has been executed by both parties. OWNER will process the Contract expeditiously. However, OWNER will not be liable for any delays prior to the award or execution of Contract. The consultant must adhere to the terms stated in Form 6 – Affidavit of Contract Execution.

Upon contract award, the selected consultant must submit either their existing or an updated personnel policy (on letterhead) documenting conformity with City Code, Chapter 5-4, § 5-4-2. If the company does not submit a copy of their personnel policy incorporating the non-discrimination policy, the company will not be in compliance and will not receive a contract award.

V. Protest Procedures

The OWNER's Contract Management Director has the authority to settle or resolve any claim of an alleged deficiency or protest. The procedures for notifying the City of an alleged deficiency or filing a protest are listed below. If you fail to comply with any of these requirements, the Contract Management Director may dismiss your complaint or protest.

Prior to Solicitation Due Date: If you are a prospective Respondent and you become aware of the facts regarding what you believe is a deficiency in the solicitation process before the Solicitation is due, you must notify the City in writing, through the authorized contact person, of the alleged deficiency before that date, giving the City an opportunity to resolve the situation prior to the Solicitation Due Date.

After Solicitation Due Date: If you submit a response to the City and you believe that there has been a deficiency in the solicitation process or the award, you have the opportunity to protest the solicitation process or the recommended award as follows:

1. You must file written notice of your intent to protest within four (4) calendar days of the date that you know or should have known of the facts relating to the protest. If you do not file a written notice of intent within this time, you have waived all rights to protest the solicitation process or the award.
2. You must file your written protest within fourteen (14) calendar days of the date that you know or should have known of the facts relating to the protest unless you know of the facts before the Solicitation was due. If you know of the facts before that date, you must notify the City as stated above.
3. You must submit your protest in writing, through the authorized contact person, and must include the following information:
 - a. your name, address, telephone, and fax number;
 - b. the solicitation number and the CIP number, if applicable;
 - c. a detailed statement of the factual grounds for the protest, including copies of any relevant documents.
4. Your protest must be concise and presented logically and factually to help with the City's review.
5. When the City receives a timely written protest, the Contract Management Director will determine whether the grounds for your protest are sufficient. If the Contract Management Director decides that the grounds are sufficient, the Contract Management Department will schedule a protest hearing, usually within five (5) working

days. If the Contract Management Director determines that your grounds are insufficient, you will be notified of that decision in writing.

6. The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the purchase, the Law Department, the Contract Management Department, and other appropriate City staff. You may bring a representative or anyone else that will present information to support the factual grounds for your protest with you to the hearing.
7. A decision will usually be made within fifteen (15) calendar days after the hearing.
8. The Contract Management Director will send you a copy of the hearing decision after the appropriate City staff have reviewed the decision.
9. When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Contract Management Director determines that:
 - a. The City urgently requires the supplies or services to be purchased, or
 - b. Failure to make an award promptly will unduly delay delivery or performance.

In those instances, the Contract Management Department will notify you and make every effort to resolve your protest before the award.

10. The protest or notice of intent and the protest shall be submitted in writing to the following address:

PROPOSED SCHEDULE:

The City anticipates executing professional services agreements with up to three selected firms for a period of approximately two years, or until the contracting authority is exhausted. Initial project assignments will be based on the ranking of the firm. Subsequent assignments will be based on expertise, size of assignments to date, and other factors as determined by the City of Austin Contract Management Department.

The City of Austin may, however, select a firm that is felt to be the most qualified for a specific project or most able to meet a project's schedule objectives. Project-specific schedules will be agreed upon at the time professional services assignments are defined.

COST ESTIMATE:

The total contracting authority for this rotation list is \$10,500,000 to be distributed evenly among the firms selected. Compensation of individual project assignments will vary depending upon the scope of services required. Funding will come from the individual assignments for which the services are to be provided. The City anticipates developing and executing a professional services agreement with each selected firm.

MAJOR AND OTHER SCOPES OF WORK

Below is a list of the major scopes of work that the City has identified for this project. There must be representation for all major scopes of work listed in the prime's statement of qualifications. The experience of the firms listed to perform the Major Scopes of Work, whether a subconsultant or prime firm, will be evaluated under Consideration Item 6 – Major Scopes of Work – Comparable Project Experience. In addition, the City has identified Other Scopes of work that MAY materialize during the course of the project. The City does not guarantee that the scopes listed under Other Scopes of work will materialize on this contract. If the prime consultant intends to enter into a subconsulting agreement on a scope of work not listed below, the prime consultant is required to contact SMBR and request an updated availability list of certified firms in each of the scopes of work for which the prime consultant intends to utilize a subconsultant.

 Electrical Engineering
 Mechanical Engineering
 Structural Engineering
 Civil Engineering
 Environmental Engineering
 Airport Planning

Other Scopes of Work

Airport Special System Services

 Cost Estimating Services, Professional
 LEED™ Certified Services

Notes:

- Participation at the prime or subconsultant level may create a conflict of interest and thus necessitate exclusion from any contracts resulting from the work performed in the design phase.
- If the City determines that a conflict of interest exists at the prime or subconsultant level, the City reserves the right to replace/remove the prime or instruct the prime consultant to remove the subconsultant with the conflict of interest and to instruct the prime consultant to seek a post-award change to the prime consultant's compliance plan as described in City Code § 2-9B-23. Such substitutions will be dealt with on a case-by-case basis and will be considered for approval by Small and Minority Business Resources (SMBR) in the usual course of business. The City's decision to remove a prime or subconsultant because of a conflict of interest shall be final.
- Construction Inspection and Public Information and Communications are **NOT** a subconsultant opportunity on this rotation list. These services will be performed in-house or under a separate contract, if needed, and will be determined when project assignment is made.
- A consultant performance evaluation will be performed on all professional services contracts. This evaluation will be conducted at the end of each Preliminary, Design and Construction phase, or at assignment completion for those projects with no distinct phases (i.e., surveying, SUE services, etc.).

Responses failing to show the prime firm performing the plurality of the services shall be rejected as non-responsive.

Limitations on volume of requested information apply equally to single firms and joint ventures regardless of the number of firms partnering in the joint venture. Responses with excess volume or which do not include information for the evaluation of all consideration items may not be thoroughly reviewed or may be rejected as non-responsive.

All prime firms and subconsultants must be registered to do business with the Owner prior to contract award. Prime firms are responsible for ensuring that their subconsultants are registered as vendors with the City of Austin. You may register through the Owner's on-line Vendor Registration system. OVERVIEW

This document should be read in conjunction with the City of Austin’s Minority-owned and Women-owned Business Enterprise Procurement Program Ordinance for Professional Services (Chapter 2-9B of the Austin City Code) and the Small and Minority Business Resources Department (SMBR) Rules. The definitions contained in Chapter 2-9B apply to this document. Copies of Chapter 2-9B and SMBR Rules may be obtained online at <http://www.ci.austin.tx.us/smbr/rules.htm> or from SMBR, 4201 Ed Bluestein, Austin, Texas 78721 (512) 974-7600.

Firms or individuals submitting responses to this Request for Qualifications agree to abide by the City’s Minority-owned and Women-owned Business Enterprise (MBE/WBE) Procurement Program and Rules. The City’s MBE/WBE program is intended (1) to promote and encourage MBEs and WBEs to participate in business opportunities with the City of Austin; (2) to afford MBEs and WBEs an equal opportunity to compete for work on City contracts; and (3) to encourage consultants to provide subcontracting opportunities to certified MBEs and WBEs by soliciting such Firms for subcontracting opportunities. The City of Austin and its consultants shall not discriminate on the basis of race, color, national origin, disability, or gender in the award and performance of contracts.

The City encourages Proposers to achieve the MBE/WBE participation goals and subgoals for this contract. However, Proposers may comply with the City Code and Rules without achieving the participation goals so long as they make and document Good Faith Efforts that would allow MBE and WBE participation per Section 2-9B-21 of the City Code and Section 9.1 of the Rules. Proposers that do not meet the project’s goals and subgoals are subject to Good Faith Efforts review.

Prior to the due date and time specified in the City’s solicitation documents, all Proposers (including those Firms certified as MBE/WBEs) shall submit: (1) an *MBE/WBE Compliance Plan* (Appendix A); and (2) if the project goals are not met, all appropriate documentation to demonstrate Good Faith Efforts to meet the project goals. Any questions regarding preparation of the *Compliance Plan* should be directed to SMBR at (512) 974-7600. Such contact will not be a violation of the Anti-Lobbying Ordinance.

The City has implemented Anti-Lobbying Ordinance 20071206-045 (Chapter 2-7 of the Austin City Code). Under Chapter 2-7, there is a “no-contact” period from the date the City issues a solicitation until the contract is executed. During the “no-contact” period, a person responding to a City solicitation can speak only to the contract’s authorized contact person regarding their solicitation response. Chapter 2-7 allows certain exceptions; for instance, a person responding to a City solicitation may speak to SMBR regarding this *Compliance Plan*. See the full language of the Ordinance, City Chapter, or solicitation documents for further details.

If the *Compliance Plan* and Good Faith Efforts documentation are not submitted prior to the due date specified in the solicitation documents, the bid will be deemed non-responsive and not be accepted for consideration.

COMPLIANCE PLAN INSTRUCTIONS
(See Appendix A)

SMBR may request written clarification of items listed on the *Compliance Plan*. However, there will be no further opportunity for the Proposer to augment the MBE/WBE participation originally listed in the *Compliance Plan* or to demonstrate Good Faith Efforts that were not made prior to the submission of the *Compliance Plan*. Changes to the *Compliance Plan* are permitted only after contract execution and only with prior written approval of SMBR.

Please type or clearly print all information, use “none” or “N/A” where appropriate, and sign and date the *Compliance Plan* as indicated. Please fill in all the blanks and use EXACT numbers. DO NOT USE: “approximate,” “plus or minus (+ -),” “up to,” “to be determined (TBD),” < >, or any other qualifying language.

***Compliance Plans* not complying with the *Compliance Plan* Instructions shall be rejected as non-responsive. Submissions not utilizing the forms provided with the solicitation may render the submission nonresponsive or noncompliant.**

Section I Project Identification and Goals

This section includes the pre-printed Project Name, Project/Solicitation Number, and goals and/or subgoals. The Proposer does not need to fill in any information under Section I.

Section II Proposer Information

The Proposer should complete this section with its information and sign in the space provided. The portion of Section II marked as “Reserved for City of Austin SMBR Only” should be left blank.

Section III *Compliance Plan* Summary

This section is a summary of subconsultant participation for this solicitation. Proposers should complete Sections IV-VI, described below, before attempting to complete Section III. After completing Sections IV-VI, calculate the percentage of MBE/WBE participation for each goal and enter the information in the blanks provided. Because Section III is a summary, if there are any inconsistencies between Sections IV-VI and Section III, the calculations contained in Sections IV-VI will prevail.

Section IV Disclosure of MBE and WBE Participation

Please list all certified MBE/WBEs subconsultants, using the legal name under which they are registered to do business with the City of Austin, to be used in the performance of this contract. If Proposer is not completing this *Compliance Plan* in response to a Rotation List solicitation, please list the percentage of the overall contract that corresponds with the value of the work the subconsultants will be performing themselves. Do not include the value of work that the MBE/WBEs subconsultants will be subcontracting to second-level subconsultants. **If Proposer is completing this *Compliance Plan* in response to a Rotation List solicitation, do not list the percentages.**

By listing certified MBE and WBE Firms on the *Compliance Plan*, the Proposer indicates that both parties acknowledge the price and scope of work and that they are prepared to contract for that price and scope if the City awards the project to the Proposer. A Letter of Intent (LOI) does not replace a binding contract between a prime consultant and a subconsultant.

Before completing Section IV of the *Compliance Plan*, please read the following instructions regarding how to count MBE/WBE participation:

(A) Only the value of the work actually performed by the MBE/WBE shall be counted toward the goals. This includes:

- (1) work performed by the MBE/WBE's own forces;
- (2) the cost of supplies, materials, or equipment purchased, leased, or otherwise obtained by the MBE/WBE for the work of the contract (except that supplies, materials, and equipment purchased or leased from the prime consultant or its affiliate may not be counted toward the goal); and
- (3) fees or commissions charged by an MBE/WBE for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of a contract, provided the fee is reasonable and not excessive as compared with fees customarily allowed for similar services.

(B) When a Proposer purchases supplies, materials, or equipment from an MBE/WBE, the cost of those supplies, materials, or equipment shall be counted toward the goals as follows:

- (1) If the supplies, materials, or equipment are obtained from an MBE/WBE that is a Manufacturer or Regular Dealer, 100 percent of the payment for the supplies, materials, or equipment shall be counted toward the goals.
- (2) If the supplies, materials, or equipment are obtained from an MBE/WBE that is neither a Manufacturer nor a Regular Dealer, the cost of the materials and supplies themselves shall not be counted toward the goals. However, fees or commissions charged for assistance in the procurement of the materials and supplies, or fees or transportation charges for the delivery of materials or supplies required on a job site, may be counted toward the goals if the payment of such fees is a customary industry practice and such fees are reasonable and not excessive as compared with fees customarily allowed for similar services.

(C) When an MBE/WBE subconsultant listed on the *Compliance Plan* subcontracts part of the work of its contract to another Firm, the value of that second-level subcontracted work may not be counted toward the goals based on the initial subconsultant's MBE/WBE certification. Please see Section VI for an explanation of how to count the value of second-level subconsultants' work.

(D) A Firm owned by a minority woman may be certified as both an MBE and a WBE (dual certified). On a single contract, the value of the work performed by a dual certified subconsultant may not be counted toward both the MBE and the WBE goals. The Proposer must decide whether to designate

the dual certified subconsultant as an MBE or a WBE in the *Compliance Plan* for the purpose of meeting the goals set for that contract. That designation may not be changed for the duration of the contract.

(E) When an MBE/WBE performs as a participant in a certified Joint Venture, only the portion of the contract value that is the result of the distinct, clearly defined portion of the work that the MBE/WBE performs with its own forces and for which it is at risk shall be counted towards the project goals. For more specific information regarding requirements and evaluations of certified MBE/WBE Joint Ventures, please see the City's MBE/WBE Procurement Program Rules or contact SMBR's Certification Division.

(F) Only expenditures to an MBE/WBE contractor that is performing a Commercially Useful Function shall be counted toward the project goals. If SMBR makes an initial determination that an MBE/WBE is not performing a Commercially Useful Function given the type of work involved and normal industry practices, the MBE/WBE may present evidence to rebut this presumption.

(G) To be counted toward project goals, MBE/WBEs must be certified by SMBR prior to the due date to submit the *Compliance Plan* as specified in the City's solicitation documents. A Firm that is certified as an MBE/WBE at the time that the *Compliance Plan* is filed may cease to be a certified Firm before the contract is completed. Only the value of the work performed by such a Firm while it is certified may be counted toward the project goals.

Section V Disclosure of Non-Certified Subconsultants

Please list all known non-certified subconsultants, using the legal name under which they are registered to do business with the City of Austin, to be used in the performance of this contract. If Proposer will not use any non-certified Firms, please write "N/A" in the first box on this page. If Proposer is not completing this *Compliance Plan* in response to a Rotation List solicitation, please list the percentage of the overall contract that corresponds with the value of the work the subconsultants will be performing themselves. Do not include the value of work that the MBE/WBE subconsultants will be subcontracting to second-level subconsultants. **If Proposer is completing this *Compliance Plan* in response to a Rotation List solicitation, do not list the percentages.**

If additional scopes of work are identified in this section as available for subcontracting beyond those identified in the availability lists provided, Proposer must contact SMBR to request an availability list of certified Firms for those additional scopes of work.

The scopes of work indicated in Section V will be considered subcontracting opportunities for MBEs and WBEs, unless it is demonstrated that certified MBEs or WBEs are unavailable or do not possess the requirements in the technical portion of the solicitation to perform the work involved. If Proposer did not meet the project goals, Proposer must explain in the space provided why MBEs/WBEs were not used as subconsultants. If Proposer did meet the project goals, please write "Goals Met" in the space provided.

Section VI Disclosure of Second-Level Subconsultants

Please complete this section if Proposer knows that one or more of Proposer's subconsultants will subcontract part of the work of their contracts to second-level subconsultants. In the last line of each entry box, please write the name of the first-level subconsultant that will be subcontracting work to the

second-level subconsultant. Identify second-level contractors by the legal name under which they will be registered to do business with the City. The first-level subconsultant should be listed in Section IV or Section V. If Proposer is not aware of any second-level subconsultants, please write "N/A" in the first box on this page.

If Proposer is not completing this *Compliance Plan* in response to a Rotation List solicitation, please list the percentage of the overall contract that corresponds with the value of the work the second-level subconsultants will be performing themselves. **If Proposer is completing this *Compliance Plan* in response to a Rotation List solicitation, do not list the percentages.**

As discussed in Section IV above, when an MBE/WBE subconsultant subcontracts part of the work of its contract to another Firm, the value of that second-level subcontracted work may not be counted toward the goals based on the initial subconsultant's MBE/WBE certification. The value of the second-level subcontracted work may be counted toward the project goals only based on the second-level subconsultant's own MBE/WBE certification, if any. Work that an MBE/WBE subcontracts to a non-certified Firm does not count toward the goals. Work that an MBE/WBE subconsultant contracts to another certified Firm shall not be counted twice towards the goal.

Section VII MBE/WBE *Compliance Plan* Check Sheet

Please complete the MBE/WBE *Compliance Plan* Check Sheet with the information requested.

GOOD FAITH EFFORTS INSTRUCTIONS

(See Appendices B and D)

The Proposer has a responsibility to make a portion of the work available to MBE/WBE subconsultants so as to facilitate meeting the goals or subgoals. If the Proposer cannot achieve the goals or subgoals, documentation of the Proposer's Good Faith Efforts to achieve the goals or subgoals must be submitted at the same time as the *Compliance Plan*. The SMBR Director will review the documentation provided and determine if the Proposer made sufficient Good Faith Efforts. That there may be some additional costs involved in soliciting and using MBEs and WBEs is not a sufficient reason for a Proposer's failure to meet the goals and subgoals, as long as such costs are reasonable. However, a Proposer is not required to accept a higher quote from a subconsultant in order to meet a goal or subgoal.

Contacting Potential MBE/WBE Subconsultants

The City has determined the scopes of work for this project and provided an Availability List of all the MBE and WBE firms certified to perform those scopes. The Availability List is found at Appendix D and has two sections: *Vendors Within the Significant Local Business Presence (SLBP) Area* and *Vendors Outside the Significant Local Business Presence (SLBP) Area*. As part of Good Faith Efforts, Proposers **must** contact **all** the firms in the *Vendors Within the SLBP Area* section. Please note that every firm on the Availability List – within and outside the SLBP – is certified as an MBE or WBE for purposes of meeting the project goals, and Proposers are encouraged to contact all the firms. If a Proposer identifies an additional scope of work for this project, the Proposer must request an Availability List for that scope. The SMBR Director determines whether the Proposer has made sufficient Good Faith Efforts if goals or subgoals are not met.

The City neither warrants the capacity nor guarantees the performance of any Firm indicated on the availability list.

The availability list is sorted in numerical sequence by National Institute of Governmental Purchasing (NIGP) Commodity Code. It includes all certified MBE/WBE vendors for the scopes of work identified by the City as being potentially applicable to this project. However, the availability list is not a comprehensive identification of all areas of potential subcontracting opportunities. If a Proposer identifies one or more work areas that are appropriate subcontracting opportunities that not included on the availability list, the Proposer shall contact SMBR to request the availability of MBE and WBE Firms in those areas. Requests for supplemental availability lists will be evaluated as a part of the Proposer's Good Faith Efforts to meet the goals.

If the Proposer believes any of the work areas on the availability list are not applicable to the project's scope of work or if the Proposer believes that the lists are inaccurate, notify the authorized contact person of the concern. All Proposers will be notified in writing of any inaccuracy by addendum to the solicitation. Concerns about a particular MBE's/WBE's certification status may be addressed to SMBR at (512) 974-7600 or the SMBR Certification Division at (512) 974-7645. If the Proposer wants to use a certified subconsultant that does not appear on this list, Proposer may either request the certified subconsultant to furnish proof of certification and the specific work areas for which it has been certified or request such information from SMBR.

Appendix B shows the format for collecting required information from the subconsultants on the *Vendors Within SLBP Area* availability list. The information must be obtained at least seven (7) business days prior

to the submission of the *Compliance Plan*; alternate formats may be acceptable as long as they gather the same required information. Attached to the Subconsultant Vendor List at Appendix D is a list containing the names and addresses of all these MBE/WBE Firms in alphabetical order. This list is in label format and is designed to facilitate the printing of mailing labels.

The following codes are used on the availability lists:

GND	A firm's two-digit gender/ethnicity code (e.g., FA, MA, or FB)	LCTN	A firm's two-digit location code (e.g., SL or TX)
FA	Female / Asian-American	FN	Female / Native American
MA	Male / Asian-American	MN	Male / Native American

Good Faith Efforts Review

If goals are not met, SMBR will examine the *Compliance Plan* and the Good Faith Efforts documentation submitted with the *Compliance Plan* to ensure that the Proposer made Good Faith Efforts to meet the project goals or subgoals. In determining whether the Proposer has made Good Faith Efforts, SMBR will consider, at a minimum, the Proposer's efforts to do the following:

- (A) Solicit certified MBE/WBE subconsultants with a Significant Local Business Presence (SLBP) and request a response from those interested subconsultants who believe they have the capability to perform the work of the contract through at least two reasonable, available, and verifiable means. The Proposer must solicit this interest more than seven (7) business days prior to submission of the Compliance Plan to allow sufficient time for the MBEs or WBEs to respond. (The date bids/proposals are due to the City should not be included in the seven day solicitation criteria.) The Proposer must take appropriate steps to follow up with subcontractors who respond. The Proposer must state a specific and verifiable reason for not contacting each certified Firm with a significant local business presence.

- (B) Provide interested MBEs/WBEs with adequate information about the plans, specifications, and requirements of the contract, including addenda, in a timely manner, to assist them in responding and submitting a proposal.
- (C) Negotiate in good faith with interested MBEs/WBEs that have submitted bids/proposals to the Proposer. An MBE/WBE that has submitted a bid to a Proposer but has not been contacted within five (5) business days of submission of the bid may contact SMBR to request a meeting with the Proposer. Evidence of good faith negotiation includes the names, addresses, and telephone numbers of MBEs/WBEs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why additional agreements could not be reached for MBEs/WBEs to perform the work. Bid shopping is prohibited.
- (D) Select portions of the work to be performed by MBEs/WBEs in order to increase the likelihood that the MBE/WBE goals or subgoals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE/WBE participation, even when the Proposer might otherwise prefer to perform these work items with its own forces.
- (E) Publish solicitation notice in a local publication (i.e. newspaper, trade association publication, or via electronic/social media).
- (F) Use the services of available community organizations; minority persons/women contractors' groups; local, state, and federal minority persons/women business assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of MBEs/WBEs.
- (G) Seek guidance from SMBR on any questions regarding compliance with this section.

The following factors may also be considered by SMBR in determining compliance through good faith efforts; however, they are not intended to be a mandatory checklist, nor are they intended to be exclusive or exhaustive:

- (A) Whether the Proposer made efforts to assist interested MBEs/WBEs in obtaining bonding, lines of credit, or insurance as required by the City or contractor.
- (B) Whether the Proposer made efforts to assist interested MBEs/WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.

In assessing minimum good faith efforts, SMBR may consider whether the Proposer sought assistance from SMBR on any questions related to compliance with this section. In addition, SMBR may also consider the performance of other Proposers successfully meeting the goals.

The ability or desire of a Proposer to perform the work of a contract with its own organization does not relieve the Proposer of the responsibility to make Good Faith Efforts.

Proposers may reject MBE/WBEs as unqualified only following thorough investigation of their capabilities. The MBE/WBE's membership or lack of membership in specific groups, organizations, or associations, and political or social affiliations (for example union or non-union employee status), are not legitimate causes for the rejection or non-solicitation of bids/proposals in the Proposer's efforts to meet the project goals or subgoals.

At a minimum, the following should be submitted to support Good Faith Effort documentation (documentation is not limited to this list):

- Fax logs, emails, and/or copies of documents sent to firms within the SLBP area.
- Copies of written correspondence to certified firms (include names, addresses, and other identifying information).
- Phone logs with responses (*Phone contacts, alone, will not be sufficient.*).
- Lists and copies of letters sent by mail, hand delivered, or e-mailed.
- Breakdown of negotiations made with certified firms.
- Copies of advertisements with local newspapers, trade associations, Chambers of Commerce and/or any other public media.
- Other communications regarding contacts with trade associations and Chambers of Commerce.

The following additional Good Faith Efforts factors may also be considered

- Copies of emails or phone logs regarding assistance in bonding, lines of credit, or insurance (as required by City or Contractor).
- Copies of emails or phone logs regarding assistance in obtaining equipment, supplies, materials, or services.
- Copies of all proposals received in response to Proposer contacting other Firms.

POST-AWARD INSTRUCTIONS

(See Appendix C)

Confirmation Letters

All Proposers are required to include copies of the confirmation letters received from subconsultants, confirming the Subconsultants' willingness to provide services should the contract be awarded.

Changes to the *Compliance Plan* including additions, deletions, contract changes, or substitutions of subconsultants are permitted only after contract execution and only with prior written approval of SMBR. Request for changes to the *Compliance Plan* must be submitted on the *Request for Change of Compliance Plan Form* for all levels of subcontracting.

Post-Award Monitoring

The City will monitor post-award compliance information regarding the use of certified MBE/WBE Firm(s) listed on the *Compliance Plan*. The Consultant will be required to submit post award reports detailing the utilization of all Subconsultants. The reports and other information regarding post-award compliance will be discussed with the successful Proposer. The following information on Payment Verification, Change Order/Contract Amendments, and Progressive Sanctions provides an overview of some of the post-award monitoring process.

- **Payment Verification**

Proposers are advised that the contract resulting from this solicitation includes a subconsultant payments clause. This clause requires all subconsultants to be paid within ten (10) calendar days from the date that the Consultant has been paid by the City for invoices submitted by subconsultants.

The Consultant shall submit a *Subcontractor/Supplier Awards and Expenditures Report* to the project manager and/or contract administrator at the time specified by the managing department. The report shall be in the format required by the City and shall include all awards and payments to subconsultants for goods and services provided under the contract during the previous month. This report may be used by the City to verify utilization of and payment to MBEs and WBEs.

The Consultant and/or any subconsultant whose subcontracts are being counted toward the MBE/WBE requirements shall allow the City access to records relating to the contract, including but not limited to, subcontracts, payroll records, tax information, and accounting records, for the purpose of determining whether the MBEs/WBEs are performing the scheduled subcontract work.

In determining achievement of MBE/WBE goals, the participation of an MBE/WBE subconsultant shall not be counted until the amount being counted toward the goal has been paid.

- **Change Order/Contract Amendments**

The goals on this contract shall also apply to change orders that require work beyond the scope(s) of trades originally required to accomplish the project. The Consultant is required to make Good Faith Efforts to obtain MBE/WBE participation for additional scopes of work.

Change orders that do not alter the type of trades originally required to accomplish the project may be undertaken using the subconsultants already under contract to the Consultant. Project managers will have automatic SMBR approval to authorize any change order that **increases** the contract amount for an **existing** certified subcontractor and is **within** the existing scope being performed by that subcontractor.

▪ **Progressive Sanctions**

The successful Proposer's *Compliance Plan* will be incorporated into the resulting contract with the City and shall be considered part of the contractor's performance requirements. Progressive sanctions may be imposed for failure to comply with Chapter 2-9B of the City Code, including:

- Providing false or misleading information in Good Faith Efforts documentation, post award compliance, or other Program operations;
- Substituting Subconsultants without first receiving approval for such substitutions, which may include the addition of an unapproved Subconsultant and failure to use a Subconsultant listed in the approved *Compliance Plan*; and
- Failure to comply with the approved *Compliance Plan* without an approved Request for Change, an approved Change Order, or other approved change to the Contract.

Please refer to Section 2-9B-25 of the City Code and SMBR Rule 11.5 for additional information.

City of Austin, Texas
Human Rights Commission

To: City of Austin, Texas, ("OWNER")

I hereby certify that our firm conforms to the Code of the City of Austin Section 5-4-2 as reiterated below:

Chapter 5-4. Discrimination in Employment by City Consultants.

Sec. 4-2 Discriminatory Employment Practices Prohibited. (B) As an Equal Employment Opportunity (EEO) employer, the Consultant will conduct its personnel activities in accordance with established federal, state and local EEO laws and regulations and agrees:

- (1) Not to engage in any discriminatory employment practice defined in this chapter.
- (2) To take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without discrimination being practiced against them as defined in this chapter. Such affirmative action shall include, but not be limited to: all aspects of employment, including hiring, placement, upgrading, transfer, demotion, recruitment, recruitment advertising; selection for training and apprenticeship, rates of pay or other forms of compensation, and layoff or termination.
- (3) To post in conspicuous places, available to employees and applicants for employment, notices to be provided by OWNER setting forth the provisions of this chapter.
- (4) To state in all solicitations or advertisements for employees placed by or on behalf of Consultant, that all qualified applicants will receive consideration for employment without regard to race, creed, color, religion, national origin, sexual orientation, gender identity, disability, veteran status, sex or age.
- (5) To obtain a written statement from any labor union or labor organization furnishing labor or service to Consultants in which said union or organization has agreed not to engage in any discriminatory employment practices as defined in this chapter and to take affirmative action to implement policies and provisions of this chapter.
- (6) To cooperate fully with OWNER's Human Rights Commission in connection with any investigation or conciliation effort of said Human Rights Commission to ensure that the purpose of the provisions against discriminatory employment practices are being carried out.
- (7) To require compliance with provisions of this chapter by all subconsultants having fifteen or more employees who hold any subcontract providing for expenditure of \$2,000.00 or more in connection with any Agreement with OWNER subject to the terms of this chapter.

For the purposes of this statement of qualifications and any resulting Professional Services Agreement, Consultant adopts the provisions of the City's Minimum Standard Nondiscrimination Policy set forth below.

City of Austin

Minimum Standard Nondiscrimination in Employment Policy

As an Equal Employment Opportunity (EEO) employer, the Consultant will conduct its personnel activities in accordance with established federal, state and local EEO laws and regulations.

The Consultant will not discriminate against any applicant or employee based on race, creed, color, national origin, sex, age, religion, veteran status, gender identity, disability, or sexual orientation. This policy covers all aspects of employment, including hiring, placement, upgrading, transfer, demotion, recruitment, recruitment advertising, selection for training and apprenticeship, rates of pay or other forms of compensation, and layoff or termination.

Further, employees who experience discrimination, sexual harassment, or another form of harassment should immediately report it to their supervisor. If this is not a suitable avenue for addressing their complaint, employees are advised to contact another member of management or their human resources representative. No employee shall be discriminated against, harassed, intimidated, nor suffer any reprisal as a result of reporting a violation of this policy. Furthermore, any employee, supervisor, or manager who becomes aware of any such discrimination or harassment should immediately report it to executive management or the human resources office to ensure that such conduct does not continue.

Consultant agrees that to the extent of any inconsistency, omission, or conflict with its current non-discrimination employment policy, the Consultant has expressly adopted the provisions of the City's Minimum Non-Discrimination Policy contained in Section 5-4-2 of the City Code and set forth above, as the Consultant's Non-Discrimination Policy or as an amendment to such Policy and such provisions are intended to not only supplement the Consultant's policy, but will also supersede the Consultant's policy to the extent of any conflict.

UPON CONTRACT AWARD, THE CONSULTANT SHALL PROVIDE A COPY TO THE CITY OF THE CONSULTANT'S NON-DISCRIMINATION POLICY ON COMPANY LETTERHEAD, WHICH CONFORMS IN FORM, SCOPE, AND CONTENT TO THE CITY'S MINIMUM NON-DISCRIMINATION POLICY, AS SET FORTH HEREIN, OR THIS NONDISCRIMINATION POLICY, WHICH HAS BEEN ADOPTED BY THE CONSULTANT FOR ALL PURPOSES (THE FORM OF WHICH HAS BEEN APPROVED BY THE CITY'S EQUAL EMPLOYMENT/FAIR HOUSING OFFICE), WILL BE CONSIDERED THE CONSULTANT'S NON-DISCRIMINATION POLICY WITHOUT THE REQUIREMENT OF A SEPARATE SUBMITTAL.

Sanctions:

Our firm understands that non-compliance with Chapter 5-4 may result in sanctions, including termination of the Agreement and suspension from participation in future City contracts until deemed compliant with the requirements of Chapter 5-4.

Term:

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

SECTION 1 - CONSULTANT'S RESPONSIBILITIES

1.0 General

The CONSULTANT will serve as the OWNER'S professional consultant in those phases of the PROJECT as stated in the **Supplemental Terms and Conditions of this AGREEMENT** and in subsequent written authorizations (as described in Section 6), and will consult and advise the OWNER during the performance of the CONSULTANT'S services. The OWNER agrees to compensate the CONSULTANT for those services in accordance with Section 5. CONSULTANT shall report to OWNER's designated PROJECT Manager named in subparagraph 12.7.1.1 of the **Supplemental Terms and Conditions of this AGREEMENT**.

For the purposes of this AGREEMENT, individual assignments made by the OWNER to the CONSULTANT in subsequent written authorizations shall be referred to as "Subprojects".

1.1 Performance of Services

The CONSULTANT will perform services under this AGREEMENT with the degree of skill and diligence normally practiced by professional engineers, architects, or other consultants performing the same or similar service.

1.1.1 The CONSULTANT's employees and the CONSULTANT's associated subconsultants to be used in the performance of PROJECT professional services (as described in subsection 1.4) are identified in Attachment 3. The CONSULTANT must disclose any potential conflict of interest relating to the CONSULTANT, the CONSULTANT's employees, a subconsultant or supplier. Failure to disclose any such conflicts may be grounds for termination under subsection 8.5 of this AGREEMENT by the OWNER.

1.1.2 The person identified as PROJECT manager by the CONSULTANT, identified in Attachment 3, must be employed by the CONSULTANT.

1.1.3 The CONSULTANT is registered to do business with the OWNER and is responsible for ensuring that all subconsultants are registered as vendors with the City of Austin. All subconsultants have been registered with the OWNER prior to execution of this AGREEMENT.

1.1.4 The CONSULTANT agrees not to modify subconsultants' designs after subconsultants' seals have been affixed except with written consent of the subconsultant. The CONSULTANT is fully responsible for the subconsultants' performance and obligations under this AGREEMENT.

1.1.5 The CONSULTANT's key employees and the CONSULTANT's associated subconsultants to be employed in the performance of professional services of the PROJECT and any Subprojects, shall not be changed except with the OWNER's prior written approval, which will not be unreasonably withheld.

1.1.6 The CONSULTANT agrees to obtain OWNER's written approval prior to terminating, adding or substituting subconsultants. In the event that the CONSULTANT proposes the termination or change of an identified "Minority-Owned Business Enterprise" (MBE) or a "Women-Owned Business Enterprise" (WBE) certified subconsultant firm from its employ on this PROJECT, the CONSULTANT shall comply with the City of Austin MBE/WBE Program, Chapter 2-9A, Austin City Code, and the goals established in the PROJECT solicitation. If the CONSULTANT is unable to substitute a subconsultant firm in compliance with the Austin City Code, the CONSULTANT shall provide OWNER with written documentation of their good faith efforts to acquire the services of a MBE/WBE replacement firm. All requests to change the CONSULTANT's MBE/WBE Compliance Plan must include documentation to support the request.

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

1.1.7 If the OWNER notifies the CONSULTANT that a member of the CONSULTANT's team, including subconsultants, is incompetent, disorderly, abusive, or disobedient, or has knowingly or repeatedly violated any federal, state, or local law, the CONSULTANT must immediately remove any such person from performing work on the PROJECT or any Subprojects. The OWNER's prior written consent must be obtained before any such person may be reinstated. Replacement of any subconsultant removed from the PROJECT or any Subprojects must be in accordance with paragraph 1.1.6. The OWNER may report any breaches of professional codes of ethics to the appropriate licensing board.

1.1.8 The CONSULTANT will attend and draft complete minutes of each PROJECT design and construction meeting and submit them to OWNER within seven (7) calendar days after each PROJECT meeting.

1.1.9 The CONSULTANT shall prepare and submit all appropriate permit applications and supporting drawings, specifications and other documents in the name of the City of Austin to utility companies and providers and governmental authorities having jurisdiction over the Subprojects and shall obtain all approvals and all development and building permits necessary to complete the Subprojects in accordance with the Subproject Resource Allocation Plan (RAP) described in Section 4, or as otherwise specified by OWNER. Development and permitting fees may be paid for in one of the following methods as mutually agreed:

- (a) Paid by CONSULTANT and billed to OWNER as a reimbursable or
- (b) Payment coordinated through the OWNER using an internal payment transfer document.

1.1.10 The CONSULTANT agrees to make those presentations, specified in the attached scope of services (Attachment 5) as Basic Services, including (i) Board and Commission meetings, (ii) public meetings, and (iii) internal City of Austin meetings. Any other Board or Commission presentations required by OWNER will be considered Additional Services in accordance with Paragraph 1.4.6 of the **Supplemental Terms and Conditions of this AGREEMENT** and paid for in accordance with Paragraph 5.1.3.

1.1.11 The CONSULTANT shall not knowingly specify, request or approve for use any asbestos containing materials or lead-based paint without the OWNER's prior written approval. For materials specified on the basis of performance criteria, the CONSULTANT shall include a requirement in the specifications effectively stating that "Asbestos containing materials or lead-based paint are prohibited from being used in the project." When a specific product is specified, the CONSULTANT shall make best efforts to verify that the product does not include asbestos containing material. The CONSULTANT agrees to execute a Statement of Non-Inclusion of Asbestos Containing Material, on a form provided by OWNER, both prior to design and upon completion of the Construction Documents Phase.

1.1.12 The CONSULTANT shall prohibit discrimination in employment based upon race, creed, color, religion, national origin, sexual orientation, gender identity, disability, veteran status, sex or age, in compliance with Chapter 5-4-2, Austin City Code. A copy of the CONSULTANT's non-discrimination policy has been provided prior to execution of this AGREEMENT.

1.2 Laboratory Services

If laboratory services are provided for the PROJECT by the CONSULTANT or its subconsultant(s) through this AGREEMENT, these services must be performed by a properly accredited laboratory. The CONSULTANT will provide evidence to the OWNER of such accreditation on an annual basis for the duration of this AGREEMENT.

1.3 Quality Control Plan (QCP)

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

1.3.1 The CONSULTANT agrees to perform on each Subproject quality assurance-quality control/ constructability reviews in accordance with the CONSULTANT's approved Subproject Quality Control Plan (QCP) described in Attachment 4, that is incorporated by reference and which includes any subsequent revisions approved by OWNER. The QCP is to be submitted to the OWNER for approval within fourteen (14) calendar days of OWNER's issuance of a Notice to Proceed to the CONSULTANT. In addition to providing the reports required by the QCP, the CONSULTANT agrees to address any QCP comments from the OWNER and provide resolution to the OWNER's satisfaction. In the event the OWNER retains its own consultant to perform additional QCP services for the OWNER, the CONSULTANT will provide all necessary information to the OWNER, address any comments from the OWNER's consultant, and provide resolution to the OWNER's satisfaction. The CONSULTANT must include this language in all its subconsultant contracts to ensure subconsultants understand their responsibility for complying with the OWNER's or OWNER's consultant's QCP requirements.

1.3.2 The QCP reviews must be performed by a staff member of the CONSULTANT not involved in day-to-day Subproject tasks. If the CONSULTANT does not have the internal staff capacity to provide for this independent review, the CONSULTANT must include a QCP subconsultant on the Subproject team. The person performing the QCP reviews must certify, seal and attest that the final construction bid documents have been drafted in full compliance with the QCP work plan.

1.3.3 The CONSULTANT must perform QCP reviews at intervals during the design phase, specified in the QCP, to ensure plans, specifications, and drawings satisfy accepted quality standards and meet the requirements of the Subproject scope. Based on the findings of the QCP reviews, the CONSULTANT must reconcile the Subproject scope and budget as needed. Documentation will be included that verifies interdisciplinary coordination has occurred.

1.3.4 The CONSULTANT must perform constructability reviews, using persons with construction experience, at appropriate intervals during the design phase specified in the QCP to ensure that the Subproject is buildable, as well as cost-effective, biddable, and maintainable. Based on the findings of the constructability reviews, the CONSULTANT must redesign the Subproject to conform to the Fixed Construction Budget as noted in Section 3.3. The CONSULTANT must provide interim construction estimates to verify that the Subproject is within the Fixed Construction Budget as further described in the phase descriptions in the **Supplemental Terms and Conditions of this AGREEMENT**.

1.3.5 Acceptance and/or approval of the CONSULTANT's QCP documentation by the OWNER do not constitute a release of the responsibilities and liability of the CONSULTANT for the accuracy and competency of its QCP reviews and final construction documents.

1.4 Basic Services

The CONSULTANT will, in the scope of their work and in conformance with the approved PROJECT Resource Allocation Plan (RAP) for each Subproject, perform the basic services described in 1.4.1 et seq of the **Supplemental Terms and Conditions of this AGREEMENT**. These basic services shall be provided in phases and/or parts only as authorized by the OWNER (in subsequent written authorizations to proceed).

SECTION 2 - OWNER'S RESPONSIBILITIES

2.1 The OWNER will:

2.1.1 Provide its requirements for each Subproject.

2.1.2 Designate the OWNER's Project Manager.

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

2.1.3 Provide a "Fixed Construction Budget " for each Subproject as defined in subsection 3.1 prior to negotiation of this AGREEMENT.

2.1.4 Assist CONSULTANT by making available (i) reports; (ii) property, boundary, easement, right-of-way, topographic and utility surveys; (iii) zoning and deed restrictions; and (iv) other data relevant to the development of each Subproject.

2.1.5 Assist CONSULTANT in gaining entry to public property and private property, only when necessary, as may be required by the CONSULTANT in the performance of their services under this AGREEMENT.

2.1.6 Review and provide written comments on all submittals and other documents presented by the CONSULTANT and render decisions pertaining thereto within seven (7) calendar days. The OWNER will review and provide written comments on periodic plan and specifications submittals within fourteen (14) calendar days. OWNER shall immediately notify CONSULTANT if additional time is needed.

2.1.7 Give prompt written notice to the CONSULTANT whenever the OWNER observes or otherwise becomes aware of any defect in the CONSULTANT's work product or services.

2.1.8 Direct CONSULTANT by way of written supplemental amendment (described in Subsection 4.2) to provide any necessary Additional Services beyond those authorized in the approved Subproject RAP or as stipulated in the **Supplemental Terms and Conditions of this AGREEMENT**.

SECTION 3 - FIXED CONSTRUCTION BUDGET

3.1 The "Fixed Construction Budget" means the amount allocated by OWNER for each Subproject construction contract, which can only be adjusted by OWNER's prior written approval. The Fixed Construction Budget is shown in the approved PROJECT RAP (Attachment 1).

3.2 Fixed Construction Budget does not include the compensation of the CONSULTANT and the CONSULTANT'S subconsultants, the cost of the land, rights-of-way, or other costs which are the responsibility of the OWNER.

3.3 Responsibility for Fixed Construction Budget

3.3.1 CONSULTANT is responsible for designing each Subproject to be constructible within the Fixed Construction Budget. The CONSULTANT must determine what materials, equipment, component systems and types of construction to include in the Contract Documents, make reasonable adjustments in the scope of the Subproject with the OWNER's consent, and, with the OWNER's approval, develop bid alternates.

3.3.2 If the Fixed Construction Budget is exceeded by the lowest responsible bid, the OWNER shall either:

- (1) give written approval of an increase in the Fixed Construction Budget;
- (2) authorize rebidding of the Subproject within a reasonable time;
- (3) abandon the Subproject; or
- (4) cooperate in revising the Subproject's scope and quality as required to reduce the construction cost.

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

In the case of (2) and/or (4), the CONSULTANT, without additional compensation, shall perform those services to produce the Drawings and Specifications as necessary to comply with the Fixed Construction Budget provided that the bidding or rebidding processes occur within six (6) months of the date that the CONSULTANT delivered the final bid documents to OWNER. If the bidding or rebidding processes occur after that six (6) month period, the CONSULTANT is entitled to additional compensation.

3.3.3 Bid Alternates

3.3.3.1 If, under the OWNER's direction, the CONSULTANT prepares the Subproject bid documents to include bid alternates as a means to keep the Subproject cost within the Fixed Construction Budget, and such alternates are within the original Subproject scope, compensation remains the established fee amount irrespective of the outcome of bids. In the event the base bid is not within the Subproject Fixed Construction Budget, Paragraph 3.3.2 of this AGREEMENT governs. The OWNER's acceptance of the base bid or bid alternates does not change the CONSULTANT's Bid Phase fee amount.

3.3.3.2 If, under the OWNER's direction, the CONSULTANT prepares Subproject Bid Documents that include bid alternates, and OWNER has advised CONSULTANT that such alternates may not be within the Fixed Construction Budget or the original Subproject scope, the CONSULTANT must track the cost of any such alternates. Compensation for the requested bid alternates will be as follows:

(1) If the bid for the alternates requested by OWNER is within the Subproject Fixed Construction Budget, there is no change in the fee.

(2) Otherwise, the work to reconfigure the Subproject Bid Documents to include the requested bid alternates will be considered Additional Services with compensation to be determined in accordance with Subsection 5.1 of this AGREEMENT.

SECTION 4 - RESOURCE ALLOCATION PLAN (RAP)

4.1 The CONSULTANT shall provide a Resource Allocation Plan (RAP) for each assigned Subproject as shown in Attachment 1. The CONSULTANT agrees to complete phases of services in accordance with an approved Subproject RAP as described in Section 6.1, and the applicable standard of professional care. A specific time period will be set for each phase.

4.1.1 The Subproject RAP for each assigned Subproject shall follow the rate structure included as Attachment 3 unless a revised rate structure has been approved through a Supplemental Amendment in accordance with Subsection 4.2. The City will consider rate revisions only if requested to do so by the CONSULTANT. However, rate revisions will not be considered until at least one (1) year after the date of this AGREEMENT or any subsequent amendments relating to rate revisions.

4.2 Supplemental Amendments

4.2.1 Before additional work may be performed or additional costs incurred beyond what is specified in the approved Subproject RAP, both parties must execute a written Supplemental Amendment. The OWNER is not responsible for actions by the CONSULTANT or any costs incurred by the CONSULTANT relating to additional work prior to the execution of the Supplemental Amendment. Any Supplemental Amendment must be executed within the time period specified in the Subproject RAP.

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

4.2.1.1 More Time Needed. If the CONSULTANT determines or reasonably anticipates that the Subproject cannot be completed before the specified completion date, the CONSULTANT shall submit a RAP revision to the OWNER for approval. The OWNER may, at its sole discretion, extend the authorized Subproject period.

4.2.1.2 Changes in Scope. Changes that would modify the scope of work authorized for the Subproject must be established by a Supplemental Amendment. If the change in scope affects the schedule or CONSULTANT's fee for the Subproject, the CONSULTANT shall prepare a revised Subproject budget and RAP for the OWNER's approval.

4.2.2 The OWNER may ask the CONSULTANT to submit a proposal for additional work that is within the defined scope of work for the Subproject. The amount to be paid for the proposed additional work will be a lump sum for each proposal. The CONSULTANT may, without penalty, elect not to submit a proposal. If both parties agree to the proposal for additional work, the parties must execute a written Supplemental Amendment and revise the Subproject RAP.

4.3 If the OWNER sustains actual damages as a result of willful or negligent failure of the CONSULTANT to furnish services in compliance with the approved Subproject RAP described in this Section 4 and subsequent Supplemental Amendments in accordance with Subsection 4.2, the CONSULTANT agrees to compensate the OWNER for the cost of such damages in accordance with Section 9, itemized costs of which will be provided to the CONSULTANT by the OWNER. The OWNER agrees to provide the CONSULTANT written notification of such damages as the cost is being incurred.

4.4 The CONSULTANT shall not be liable or responsible for OWNER delays or postponements. If the CONSULTANT is delayed by conditions beyond its reasonable control, written time extension requests may be submitted to the OWNER for approval. These requests will be reviewed only if submitted to OWNER at least fourteen (14) calendar days prior to any affected milestone date in the Subproject RAP. If the next milestone date is less than fourteen (14) calendar days from the date of the delay or suspension of service, the CONSULTANT will be allowed fourteen (14) calendar days from the date of the delaying event to submit the request to OWNER.

4.5 If the CONSULTANT fails to meet the approved Subproject RAP, including subsequently approved Supplemental Amendments, OWNER may elect to invoke remedies outlined in Section 9 of this AGREEMENT.

4.6 Time required by the OWNER to review and return documents to the CONSULTANT following their submittal during and after each phase will be included in the approved Subproject RAP.

SECTION 5 - COMPENSATION

5.1 Basis of Compensation

5.1.1 The OWNER shall compensate the CONSULTANT for the Scope of Services described in the approved Subproject RAP or as subsequently amended, in accordance with Subsection 5.3, *PAYMENTS TO THE CONSULTANT*, and the other Terms and Conditions of this AGREEMENT, as follows:

5.1.1.1 No advance payment will be paid to the CONSULTANT prior to rendering services.

5.1.1.2 Payments for Basic Services will be made monthly in proportion to services performed within each phase of services, as shown in the Subproject RAP.

5.1.1.3 For services provided by subconsultants, a multiple of one and five hundredth (1.05) times the amounts billed to the CONSULTANT for such services will be paid.

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

5.1.2 The total amount of compensation to be paid the CONSULTANT will not exceed the amount stated in paragraph 5.1.2.1 of the **Supplemental Terms and Conditions of this AGREEMENT**.

5.1.3 *Compensation for Additional Services*

5.1.3.1 For *PROJECT REPRESENTATION BEYOND BASIC SERVICES* as described in Subparagraph 1.4.6 of the **Supplemental Terms and Conditions of this AGREEMENT**, compensation will be made as an Additional Service in accordance with the schedule of hourly rates shown in Attachment 3.

5.1.3.2 Principals may only bill at the hourly rate of Principals when acting in that capacity. Principals acting in the capacity of staff must bill at staff rates. The CONSULTANT shall provide documentation with each payment request that clearly indicates how that individual's time is allocated and the justification for that allocation.

5.1.3.3 For *ADDITIONAL SERVICES OF SUBCONSULTANTS* a multiple of one and five hundredths (1.05) times the amounts billed to the CONSULTANT for such services will be paid.

5.1.4 *Compensation for Reimbursable Expenses*

5.1.4.1 For *REIMBURSABLE EXPENSES*, as described in Subsection 5.2, a multiple of one and five hundredths (1.05) times the amounts expended by the CONSULTANT, the CONSULTANT'S employees and subconsultants in the interest of the Subproject will be paid.

5.1.4.2 The OWNER is a tax-exempt organization as defined by Chapter 11 of the Property Tax Code of Texas. OWNER will furnish CONSULTANT with a Sales Tax Exemption Certification to be issued to suppliers in lieu of the tax. If payment of the sales tax is unavoidable in a specific case, the CONSULTANT will be reimbursed by the OWNER for any such costs incurred.

5.1.5 OWNER and the CONSULTANT agree in accordance with the Terms and Conditions of this AGREEMENT that:

5.1.5.1 If OWNER determines the scope of the PROJECT or any Subproject's services are changed materially, compensation will be equitably adjusted through negotiation.

5.1.5.2 If OWNER determines the Services covered by this AGREEMENT and a subsequent written authorization have not been completed within the time specified in the Subproject RAP, through no fault of the CONSULTANT, the amounts of compensation, rates and multiples set forth herein may be adjusted through negotiation.

5.1.6 *Period of Service*

5.1.6.1 This AGREEMENT will remain in force for that period required to complete the PROJECT (including required extensions thereto) unless discontinued by any of the several provisions contained elsewhere in this AGREEMENT. The total period of service is stated in subparagraph 5.1.2.1 of the **Supplemental Terms and Conditions of the AGREEMENT**.

5.1.6.2 CONSULTANT's failure to meet an approved Subproject RAP may result in the assessment of remedies as described in Sections 8 and 9 of this AGREEMENT.

5.2 Reimbursable Expenses

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

Reimbursable Expenses are part of Basic Services and include actual expenditures made by the CONSULTANT and the CONSULTANT's employees and subconsultants in performing services for the PROJECT and all Subprojects for the expenses listed in the following Subsections. CONSULTANT must submit invoices or other similar documentation for Reimbursable Expenses as part of a payment request. 5.2.1.3 Mileage charges for rental cars in connection with out-of-town travel may not exceed the amount permitted as a deduction in any year under the Internal Revenue Code or Regulations. Mileage costs for travel within the Austin metropolitan area are to be included in the CONSULTANT's overhead rate and not billed separately as a reimbursable expense.

5.2.2 Fees paid for securing approval of authorities having jurisdiction over the PROJECT and any Subproject.

5.2.3 Reproduction expenses for drawings, specifications and all other documents required for bidding, OWNER submittals, and for file copies of CONSULTANT, Contractor, and OWNER, and other parties approved by the OWNER.

5.3 Payments to the Consultant

5.3.1 Payments for Basic Services

5.3.1.1 Payments for Basic Services, including Reimbursable Expenses, will be made monthly in accordance with the approved Subproject RAP on the basis set forth in Subsections 5.1 and 5.2. CONSULTANT shall submit the application for payment using the form supplied by OWNER.

5.3.2 Payments for Additional Services

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

5.3.2.1 Payments for the CONSULTANT'S Subproject Additional Services as described in Paragraph 1.4.6 of the **Supplemental Terms and Conditions of the AGREEMENT** may be made no more often than monthly upon presentation by CONSULTANT of an acceptable statement of Additional Services rendered and/or expenses incurred. Each statement must include the form supplied by the OWNER, copies of invoices, time sheets, and any other evidence of expense requested by the OWNER.

5.3.3 *Payments Withheld*

The OWNER may withhold, amend, or nullify any request for payment by the CONSULTANT under conditions that include those described in Subparagraphs 5.3.3.1 through 5.3.3.7 below.

5.3.3.1 Failure of the CONSULTANT to follow the approved schedule and meet all phase and milestone requirements specified in the Subproject RAP.

5.3.3.2 OWNER'S receipt of notice that, despite payment to CONSULTANT for services rendered by subconsultants, CONSULTANT has not paid subconsultants for services invoiced to and paid by OWNER within fourteen (14) calendar days of CONSULTANT's receipt of payment from OWNER.

5.3.3.3 Payments for subconsultants costs when those subconsultants are not included in the approved MBE/WBE compliance plan.

5.3.3.6 Failure of the CONSULTANT to provide updated Subproject record drawings and Contractor's record contract documents to the OWNER within thirty (30) calendar days after Contractor's record contract documents have been provided to the CONSULTANT by the Contractor upon substantial or final completion of the Subproject.

5.3.3.7 Failure to make timely payment to the City of Austin for taxes.

5.3.4 *Prompt Payments*

The OWNER shall make payment to CONSULTANT of the sum named in a payment application within thirty (30) calendar days after the day on which the OWNER received the mutually acceptable payment application. If the OWNER fails to make such prompt payment, then OWNER will pay CONSULTANT, in addition to the amount owed for the payment application, interest thereon at the rate specified in Government Code, Section 2251.025(b) from date due until fully paid, which shall fully liquidate any injury to CONSULTANT growing out of such delay in payment.

The OWNER cannot make a partial payment on an invoice in dispute. The CONSULTANT may resubmit an invoice for the undisputed amount or wait for payment until the dispute has been resolved. The thirty (30) calendar days restarts after the OWNER receives a corrected payment application.

5.3.5 *Payment for Project Suspension or Termination*

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

5.3.5.1 If a Subproject is suspended or abandoned in whole or in part for more than three months, the CONSULTANT will be compensated for all services performed prior to receipt of written notice from the OWNER of such suspension or abandonment, together with Reimbursable Expenses then due. If the Subproject is resumed after being suspended for more than three months, the CONSULTANT'S compensation may be equitably adjusted through negotiation. If the parties cannot agree on an adjustment, OWNER may terminate the Subproject in accordance with Subsection 8.6.

SECTION 6 - SUBSEQUENT WRITTEN AUTHORIZATIONS

6.1 The procedure for establishing each Subproject assignment by negotiating subsequent written authorizations is as follows:

6.1.1 Proposal Request: Upon identifying a specific Subproject assignment, the OWNER will issue a written Proposal Request, as shown in Attachment 2, to the CONSULTANT describing the Subproject, services required, proposed schedule, and method of compensation selected by OWNER.

6.1.2 CONSULTANT Proposal: After being contacted by the OWNER, the CONSULTANT shall arrange with the OWNER to review the Proposal Request and provide a Proposal for the OWNER's review within fourteen (14) calendar days of the OWNER's contact. The CONSULTANT's Proposal must include a Resource Allocation Plan (RAP), as described in Section 4, for the Subproject. The OWNER shall notify the CONSULTANT within seven (7) calendar days if the Proposal is acceptable or if revisions are needed. The approved CONSULTANT's proposal will be attached to the OWNER's Proposal Request and may include a clarification of the scope of services. The Proposal Request form, with the CONSULTANT's signature indicating acceptance of the Subproject assignment and compensation, will be returned to the OWNER within seven (7) calendar days of OWNER approval.

6.1.3 Notice to Proceed: When the OWNER receives the accepted Proposal Request form signed by the Consultant, the OWNER will sign the Notice to Proceed section, as shown in Attachment 2, and provide a copy to the CONSULTANT within three (3) calendar days of the OWNER's receipt. This Notice to Proceed will formally authorize the CONSULTANT to proceed with the initial phase of the Subproject services in accordance with the approved Subproject RAP included in the CONSULTANT's Proposal. The CONSULTANT agrees to begin work within seven (7) calendar days from the date of the OWNER's signature on the Notice to Proceed. The CONSULTANT will provide a Subproject QCP plan, as described in paragraph 1.3.1, within fourteen (14) calendar days of the OWNER's issuance of the Subproject Notice to Proceed.

6.2 Execution of a Proposal Request constitutes a Supplemental Amendment to this AGREEMENT. The policy must provide for 30 day notice of cancellation in favor of the OWNER. The minimum limit is specified in subparagraph 7.1.4.1 of the **Supplemental Terms and Conditions of this AGREEMENT**.

7.2 General Requirements

7.2.1 The CONSULTANT must complete and forward the OWNER'S standard certificate of insurance to the OWNER before the AGREEMENT is executed, as verification of coverage required in Paragraphs 7.1.1 through 7.1.4 above. The CONSULTANT shall not commence services until the required insurance has been obtained and until such insurance has been reviewed by the OWNER's Office of Contract and Land Management. Approval of insurance by the OWNER does not relieve or decrease the liability of the CONSULTANT hereunder and must not be construed to be a limitation of liability on the part of the CONSULTANT.

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

7.2.2 Applicable to all insurance policies: If coverage is underwritten on a claims-made basis, the retroactive date must be coincident with or prior to the date of this AGREEMENT and the certificate of insurance must state that the coverage is claims made and the retroactive date. The CONSULTANT shall maintain continuous coverage for the duration of this AGREEMENT and for not less than twenty-four (24) months following substantial completion of the PROJECT. Coverage, including any renewals, must have the same retroactive date as the original policy applicable to the PROJECT. The CONSULTANT shall, on at least an annual basis, provide the OWNER with a certificate of insurance as evidence of such insurance.

7.2.3 The CONSULTANT's insurance coverage must be written by companies licensed or approved to do business in the State of Texas at the time the policies are issued and must be written by companies with A.M. Best ratings of B+VII or better unless otherwise required in the **Supplemental Terms and Conditions of this AGREEMENT**. The OWNER will accept workers' compensation coverage written by the Texas Workers Compensation Insurance Fund.

7.2.4 All endorsements naming the OWNER as additional insured, waivers, and notices of cancellation endorsements as well as the certificate of insurance will indicate: City of Austin, Office of Contract and Land Management, P.O. Box 1088, Austin, Texas 78767.

7.2.5 The "other" insurance clause will not apply to the OWNER where the OWNER is an additional insured shown on any policy. It is intended that policies required in the AGREEMENT, covering both the OWNER and the CONSULTANT, be considered primary coverage as applicable.

7.2.6 If insurance policies are not written for amounts specified above, the CONSULTANT shall carry Umbrella or Excess Liability Insurance for any differences in amounts specified. If Excess Liability Insurance is provided, it must follow the form of the primary coverage.

7.2.7 The OWNER shall be entitled, upon request and without expense, to receive certified copies of policies and endorsements thereto and may make any reasonable requests for deletion or revision or modification of particular policy terms, conditions, limitations, or exclusions except where policy provisions are established by law or regulations binding upon either of the parties hereto or the underwriter on any such policies.

7.2.8 The OWNER reserves the right to review the insurance requirements set forth during the effective period of this AGREEMENT and to make reasonable adjustments to insurance coverage, limits and exclusions when deemed necessary and prudent by the OWNER based upon changes in statutory law, court decisions, the claims history of the industry or financial condition of the insurance company as well as the CONSULTANT.

7.2.9 The CONSULTANT shall not cause any insurance to be canceled nor permit any insurance to lapse during the term of the AGREEMENT or as required in the AGREEMENT.

7.2.10 The CONSULTANT shall be responsible for premiums, deductibles and self-insured retentions, if any, stated in policies. All deductibles or self-insured retentions shall be disclosed on the certificate of insurance.

7.2.11 The CONSULTANT shall provide OWNER thirty (30) days written notice of erosion of the aggregate limits below occurrence limits for all applicable coverages indicated within the AGREEMENT.

7.2.12 If OWNER-owned property is being transported or stored off-site by the CONSULTANT, then the appropriate property policy will be endorsed for transit and storage in an amount sufficient to protect OWNER's property.

7.2.13 The insurance coverages required under this AGREEMENT are required minimums and are not intended to limit the responsibility or liability of the CONSULTANT.

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

7.3 CONSULTANT shall determine appropriate types and levels of insurance coverage to be provided by subconsultants and advise the subconsultants of the documentation to be provided to CONSULTANT to verify coverage.

SECTION 8 - TERMINATION OF AGREEMENT

8.1 The rights to terminate provided in this Section 8 are in addition to, and cumulative of, all other rights and remedies available to the parties at law or in equity.

8.2 This AGREEMENT may be terminated by the CONSULTANT upon at least seven (7) calendar days written notice should the OWNER substantially fail to perform in accordance with the OWNER's responsibilities through no fault of the CONSULTANT.

8.3 Notice to Cure.

OWNER shall endeavor to provide a Notice to Cure to the CONSULTANT to cure an event of default described in this Section and/or an anticipatory breach of contract. The CONSULTANT must attend a meeting with the OWNER regarding the Notice to Cure, the event of default, and/or the anticipatory breach of contract. The Notice to Cure will set forth the time limit in which the cure is to be completed or commenced and diligently prosecuted. Upon receipt of any Notice to Cure, the CONSULTANT must prepare a report describing its program and measures to effect the cure of the event of default and/or anticipatory breach of contract within the time required by the Notice to Cure. The CONSULTANT's report must be delivered to the OWNER at least three (3) business days prior to any requested meeting with the OWNER.

8.4 This AGREEMENT may be terminated by the OWNER upon at least seven (7) calendar days' written notice to the CONSULTANT in the event that the PROJECT is abandoned or indefinitely postponed.

8.5 This AGREEMENT may be terminated by the OWNER for cause upon seven (7) calendar days' written notice. In the event OWNER terminates the AGREEMENT with cause, the OWNER may reject any and all proposals submitted by CONSULTANT for up to three (3) years. In the event that a termination for cause is found to be wrongful, the termination shall be converted to a termination without cause as set forth in Subsection 8.6 and CONSULTANT's remedy for wrongful termination is limited to the recovery of payments permitted under Subsection 8.6.

The OWNER may terminate for cause due to the occurrence of any one of the following:

8.5.1 If CONSULTANT persistently fails to perform the work in accordance with the AGREEMENT, in particular the approved Subproject RAP;

8.5.2 If CONSULTANT disregards laws or regulations of any public body having jurisdiction;

8.5.3 If CONSULTANT makes fraudulent statements;

8.5.4 If CONSULTANT fails to make adequate progress and endangers timely and successful completion of the AGREEMENT;

8.5.5 CONSULTANT's failure under 8.5.4 includes failure of subconsultants to meet contractual obligations; or

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

8.5.6 If CONSULTANT otherwise violates in any substantial way any provisions of the AGREEMENT.

8.6 This AGREEMENT may be terminated at the OWNER'S convenience upon seven (7) calendar days written notice; in which event, the CONSULTANT will be compensated for all services performed to termination date, together with Reimbursable Expenses then due, in accordance with Subsection 8.7, and the OWNER retains the right to continue the PROJECT consistent with paragraph 12.2.4.

8.7 In the event of termination not the fault of the CONSULTANT, the CONSULTANT will be compensated for all services performed to termination date, together with Reimbursable Expenses then due. CONSULTANT will submit to the OWNER, within the timeframe set in the termination notice, all work and documents prepared to that point. Fixed-fee payment to the CONSULTANT shall be proportional to services performed to the date of termination.

SECTION 9 - OWNER REMEDIES

9.1 The CONSULTANT and OWNER agree that in the event of a delay in completion for which the OWNER suffers actual damages, the OWNER may elect to pursue its actual damages and any other remedy allowed by law. Conditions under which the OWNER may seek other damages include, but are not limited to:

9.1.1 Failure of the CONSULTANT to make adequate progress in accordance with paragraph 8.5.4 above.

9.1.2 Failure of the CONSULTANT to design for compliance with the laws of City, State and federal governments as specified in paragraph 1.4.2 of the Supplemental Terms and Conditions of this AGREEMENT, such that subsequent compliance costs exceed expenditures which would have been involved had services been properly executed by the CONSULTANT. The CONSULTANT will financially participate in the OWNER'S financial losses for those non-value added compliance costs.

9.1.3 Losses are incurred, despite the Quality Control Plan (QCP), because of defects, errors and omissions in the design, working drawings, specifications or other documents prepared by the CONSULTANT to the extent that the financial losses are greater than the OWNER would have originally paid had there not been defects, errors and omissions in the documents. The CONSULTANT will financially participate in the OWNER'S financial losses for those non-value added work costs.

9.2 Pursuant to Section 7.1.4, the OWNER shall assert a claim against the CONSULTANT as appropriate when other remedies are not available or offered for design deficiencies discovered during and after Subproject construction. When the OWNER incurs non-value added work costs for change orders due to design errors or omissions, the OWNER will send the CONSULTANT a certified cost recovery letter that includes

- (1) summary of facts with supporting documentation;
- (2) instruction for CONSULTANT to revise design documents, if appropriate, at CONSULTANT'S expense;
- (3) calculation of non-value added work costs incurred by the OWNER; and
- (4) deadline for CONSULTANT'S response.

The CONSULTANT will provide a preliminary response to OWNER within seven (7) calendar days of receipt of the claim letter. The CONSULTANT must submit a formal documented response to the claim letter to the OWNER within fourteen (14) calendar days of the date of the preliminary response. The CONSULTANT will provide the payment requested by OWNER within thirty (30) calendar days of OWNER'S acceptance of formal CONSULTANT

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

response or the CONSULTANT will request alternative dispute resolution, as described in subsection 11.2 of this AGREEMENT, within fourteen (14) calendar days of OWNER's rejection of formal CONSULTANT response.

9.3 The CONSULTANT may be required to revise bid documents and re-advertise the Subproject at the CONSULTANT's sole cost (including printing) if, in the OWNER's judgment, the CONSULTANT generates excessive addenda, either in terms of the nature of the revisions or the actual number of changes due to the CONSULTANT's errors or omissions.

9.4 Decisions to Withhold Payment

9.4.1 OWNER may withhold or nullify the whole or part of any payment to such extent as may be necessary because of conditions outlined in paragraph 5.3.3 "Payments Withheld".

SECTION 10 - CONSULTANT REMEDIES

10.1 If the CONSULTANT is prevented from completing any part of a Subproject within the time established in the Subproject RAP due to delays beyond the control of either the OWNER or the CONSULTANT, an extension of the Subproject schedule in an amount equal to the time lost due to such delay shall be the CONSULTANT's sole and exclusive remedy. Performance interrupted by an act of god or the result of war, riot, civil commotion, sovereign conduct, or the conduct of a third party, will be excused for a period of time necessary to remedy the effect of the precipitating occurrence. In such cases, a conference will be held within three (3) working days of the end of the occurrence to establish a revised schedule in the RAP

10.2 CONSULTANT's requests for remedies arising from the terms of this AGREEMENT for conditions other than those specified in subsection 10.1 must be done in accordance with the following:

10.2.1 Within thirty (30) calendar days after the CONSULTANT could be reasonably expected to know of the occurrence prompting the request, the CONSULTANT must deliver preliminary written notice to the OWNER describing the general nature of the request. Within thirty (30) calendar days after the preliminary notice, the CONSULTANT must provide the OWNER written supporting documentation stating all known amounts and/or time extensions to which the CONSULTANT is entitled.

10.2.2 Within thirty (30) calendar days of receipt of notice of the amount of the requested remedy with supporting data, OWNER and CONSULTANT will meet to discuss the request, after which an offer of settlement or notification of no settlement offer will be made to CONSULTANT. If CONSULTANT is not satisfied with the proposal presented, CONSULTANT will have thirty (30) calendar days in which to

- (1) submit additional supporting data requested by the OWNER;
- (2) modify the initial request for remedy; or
- (3) request Alternative Dispute Resolution.

SECTION 11 - DISPUTE RESOLUTION

11.1 Filing of Claims

11.1.1 Claims arising from the circumstances identified in this AGREEMENT, or other occurrences or events, shall be made by Written Notice delivered by the party making the Claim to the other party within thirty (30) calendar days after the start of the occurrence or event giving rise to the Claim and stating the general nature of the Claim. Notice of the amount of the Claim with supporting data shall be delivered in writing within thirty (30) calendar days after Written Notice of Claim is delivered by claimant and shall represent that the adjustment claimed covers all known amounts and/or extensions of time to which claimant is entitled.

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

11.1.2 Within thirty (30) calendar days of receipt of notice of the amount of the Claim with supporting data, the OWNER and CONSULTANT shall meet to discuss the Claim, after which an offer of settlement or notification of no settlement offer will be made to claimant. If claimant is not satisfied with the proposal presented, claimant shall have thirty (30) calendar days in which to: (i) submit additional supporting data requested by the other party; (ii) modify the initial Claim; or (iii) request Alternative Dispute Resolution.

11.2 Alternative Dispute Resolution

11.2.1 If a dispute exists concerning a Claim, the parties agree to use the following procedure prior to pursuing any other available remedies.

11.2.2 Negotiating with Previously Uninvolved Personnel

Either party may make a written request for a meeting to be held between representatives of each party within fourteen (14) calendar days of the request or such later period that the parties may agree to. Each party shall endeavor to include, at a minimum, one (1) previously uninvolved senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization. If a previously uninvolved senior level decision maker is unavailable due to the size of the CONSULTANT's organization or any other reason, the CONSULTANT shall nonetheless provide an appropriate senior level decision maker for the meeting. The purpose of this and any subsequent meetings will be good faith negotiations of the matters constituting the dispute. Negotiations will be concluded within thirty (30) calendar days of the first meeting, unless mutually agreed otherwise.

11.3 Mediation

11.3.1 If the procedure described in 11.2.2 proves unsuccessful or is waived pursuant to its terms, the parties shall initiate the mediation process. OWNER and CONSULTANT agree to select within thirty (30) calendar days a mediator trained in mediation skills and knowledgeable of the CONSULTANT's professional discipline, to assist with resolution of the dispute. OWNER and CONSULTANT agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in this AGREEMENT prevents the parties from relying on the skills of a person who also is trained in the subject matter of the dispute and/or a contract interpretation expert. Should the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the parties agree to ask the Travis County Dispute Resolution Center to select a qualified individual, which selection is binding on the parties.

11.3.2 Mediation is a forum in which an impartial person, the mediator, facilitates communication between parties to promote reconciliation, settlement, or understanding among them. The parties hereby agree that mediation, at a minimum, shall provide for

- (1) conducting an on-site investigation, if appropriate, by the mediator for fact gathering purposes;
- (2) a meeting of all parties for the exchange of points of view; and
- (3) separate meetings between the mediator and each party to the dispute for the formulation of

resolution alternatives.

The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session, unless mutually agreed otherwise. Should the parties fail to reach a resolution of the dispute through mediation, then each party is released to pursue other remedies available to them.

11.4 Resolution of Disputes between CONSULTANT and Subconsultant:

The CONSULTANT agrees to follow the procedures paralleling those outlined in subsections 11.1, 11.2 and 11.3 in the event of a dispute with a subconsultant. The OWNER is not a party to the dispute resolution process between the CONSULTANT and subconsultants. However, if the OWNER is notified of a subconsultant claim, the OWNER will

**PROFESSIONAL SERVICES AGREEMENT - ROTATION LIST
GENERAL CONDITIONS OF THE AGREEMENT**

withhold payments to the CONSULTANT in accordance with subparagraph 5.3.3.2 until receiving notification that the claim has been resolved.

SECTION 12 - MISCELLANEOUS PROVISIONS

The CONSULTANT shall not copyright or otherwise claim ownership of the work products covered by this subsection 12.2. The CONSULTANT shall include in its subconsultant contracts appropriate provisions to achieve the purpose of this subsection 12.2.

12.2.3 All such items furnished by the CONSULTANT pursuant to this AGREEMENT are considered instruments of its services in respect to the PROJECT. It is understood that the CONSULTANT does not represent such items to be suitable for reuse on any other project or for any other purpose(s). If the OWNER reuses such items without the CONSULTANT's specific written verification or adaptation, such reuse will be at the risk of the OWNER, without liability to the CONSULTANT.

12.2.4 Should the CONSULTANT be terminated under this AGREEMENT, the OWNER may continue the PROJECT and receive copies within fourteen (14) calendar days of the termination notice.
