SUBJECT: Request for Statements of Qualifications (RFQ) for Engineering Services for Williamson Creek Wastewater Interceptor
Solicitation Number: CLMP196 – **CLARIFICATION #2**

This clarification #2 is in response to a question received which warranted a clarification.

Clarification:

Question 1: In Vendor Connection when I open the “All documents in the RFQ” attachment, I noticed that the MBE/WBE Procurement Program Packet is missing from this attachment. How can I obtain the MBE/WBE Procurement Program Packet for this solicitation?

Response: The MBE/WBE Procurement Program Packet is included in three separate attachments in the “Attachments” tab of Solicitation Number RFQS 6100 CLMP196. The three attachments are titled:

1. “MBE/WBE Procurement Program”
2. “M/WBE Vendor Availability List”
3. “M/WBE Subconsultant Availability Labels”

To access these attachments, sign in to Vendor Connection, click on Open Solicitations and search for CLMP196 in the Quick Filter box. Click on the arrow to the right of the solicitation to access the files. Click on the “Attachments” tab to locate and open the attachments.

All interested Vendors are advised to refer to the “Table of Contents” attachment for this solicitation for a comprehensive list of all RFQ Sections and Attachments.
