The following is a description of items to receive consideration in the evaluation of responses for providing professional engineering services to the City of Austin. Following each description are the evaluation points associated with the item. TOTAL POSSIBLE POINTS EQUALS 100. Wherever used, “prime firm” denotes a single firm or a joint venture responding as the prime consultant. Wherever used, "page" refers to single-sided, single spaced, 10-point minimum font printed 8-1/2 x 11-inch pages. The prime firm shall perform the largest share of the assignment (on an estimated percentage of total agreement basis). Responses failing to show the prime firm performing the plurality of the services shall be rejected as non-responsive.

Limitations on volume of requested information apply equally to single firms and joint ventures regardless of the number of firms partnering in the joint venture. Responses with excess volume or which do not include information for the evaluation of all consideration items may not be thoroughly reviewed or may be rejected as non-responsive.

All prime firms and subconsultants must be registered to do business with the Owner prior to contract award. Prime firms are responsible for ensuring that their subconsultants are registered as vendors with the City of Austin. You may register through the Owner’s on-line Vendor Registration system. Log on to the link below and follow the directions: https://www.ci.austin.tx.us/financeonline/vendor_connection/index.cfm

NOTES:

- Firms and individuals, who are proposed as staff on this RFQ, must adhere to the requirements of Subchapter A of the Texas Professional Engineering Practice Act regarding the use of the term "engineer". The full text of the Texas Professional Engineering Act may be found at: http://www.engineers.texas.gov.

TEAM’S STRUCTURE
10 Points Maximum

Describe the roles of the key individuals proposed to work on this project. City is interested in team's organizational structure. Identify project leadership, reporting responsibilities, how prime firm will interface and communicate with City's project manager and Austin Water Project sponsor, and how subconsultants will work within the team structure. Describe the roles of the key individuals proposed to work on this project. **Indicate activities, responsibilities and key personnel on the organizational chart. Organizational chart may be submitted on 11” x 17”**
paper. Response should align with team’s proposed MBE/WBE Compliance Plan provided in Consideration Item 1 above.

- Provide an organizational chart. (3 pts, 1 page limit)
- Provide a brief narrative. (7 pts, Narrative should not exceed 3 pages)

CONSIDERATION ITEM 3b
TEAM’S PROJECT APPROACH
20 Points Maximum

City is interested in team’s overall understanding of the rotation list process and issues the team may encounter on rotation list assignments. Reference issues seen on similar experienced projects, and the overall approach to mitigate those and other issues. Describe your team’s approach on pipeline projects for the City of Austin:

- Permitting a project in the City of Austin (5 pts)
- Ensuring plans are accurate and constructable (5 pts)
- Knowledge and understanding of Austin Water’s Utility Criteria Manual, (UCM), Texas Commission on Environmental Quality (TCEQ), COA Environmental, and Traffic Control requirements (4 pts)
- Understanding of the techniques and sequencing required including open trench construction, trenchless construction, and utility conflicts and crossings (4 pts)
- Maintaining the project schedule (2 pts)

Please describe the major subconsultants’ placement in the overall approach to the project.

- Provide a narrative not to exceed five (5) pages.

CONSIDERATION ITEM 4
EXPERIENCE OF PROJECT MANAGER, PROJECT PROFESSIONAL, AND PROJECT PRINCIPAL (past 10 Years)
15 Points Maximum

(Project Manager – 8 points; Project Professional – 4 points; Project Principal – 3 points)

City is interested in the experience of the Project Manager, Project Professional, and Project Principal that demonstrates history and success with projects of similar programs, budgets, and/or
clients as the project described in this solicitation. Points will be awarded as indicated above. Only one individual per job responsibility should be designated. The prime consultant must employ the Project Manager, Project Professional, and Project Principal. The Project Manager, Project Professional, and Project Principal may be the same individual. The Project Manager OR Project Professional must be licensed as a professional engineer in the State of Texas at the time of submittal.

List five (5) projects meeting these criteria which have been completed in the past ten (10) years for each individual.

- Complete Form 7 – Experience of Project Manager. Please provide no more than one (1) page per project.
- Complete Form 8 – Experience of Project Professional. Please provide no more than one (1) page per project.
- Complete Form 9 – Experience of Project Principal. Please provide no more than one (1) page per project.
- Attach a resume of no more than two (2) pages for each individual.

Definitions:

The following definitions are meant to assist the prime firm in determining the appropriate key team members for this project. These definitions are not exhaustive and are meant only as a guide.

Project Manager: The COA defines a project manager as an individual in the prime firm who:
- Sets deadlines, assigns responsibilities, and monitors and summarizes progress of project.
- Has the responsibility of the planning, execution, and closing of a project.
- Is responsible for accomplishing the stated project objectives.
- Leads project meetings to collect and disseminate information pertaining to project.
- Coordinates the collection and dissemination of information between/within the company and COA.
- Manages all aspects of the project, including subconsultants.

Project Principal: The COA defines a project principal as an individual in the prime firm who:
- Has executive oversight of projects.
- Has the authority to remove the PM, or PE assigned to this project.
- Has the authority to secure additional resources to the project.

Project Professional: The COA defines a project engineer as an individual in the prime firm who:
- Serves as lead Engineer on the proposed team who designs and develops project specifications.
• Creates, reviews and provides resolution of technical specifications.
• Directs other engineering activities.
• Is responsible for the preparation of probable construction cost estimates.
• Has all required licenses, certifications or registrations at the time of submittal.

CONSIDERATION ITEM 5
PRIME FIRM’S COMPARABLE PROJECT EXPERIENCE (past 5 years)
15 points maximum

City is interested in the prime firm's history and success with projects of similar programs, budgets, and/or clients as the project described in this solicitation. List five (5) projects meeting these criteria which have been completed in the past five years. In addition, City may consider history of firm in complying with project programs, schedules, and budgets on previous City projects.

➢ Provide a narrative not to exceed one (1) page.
➢ Complete Form 10 and provide no more than one (1) page per project.

CONSIDERATION ITEM 6
MAJOR SCOPES OF WORK - COMPARABLE PROJECT EXPERIENCE (past 5 years)
20 points maximum

Major Scopes of Work
Civil Engineering (12 points)
Geotechnical Engineering (4 points)
Surveying Services (4 points)

The City has identified Major Scopes of Work to be provided for this project, which are included in the Scope of Services. Each scope of work can be accomplished through subcontracting other firms or utilizing the prime firm. The City is interested in the history and success of the firm proposed to perform the scope of work (subconsultant or prime), with projects of similar programs, budgets, and/or clients as the areas identified. List three (3) projects per Major Scope of Work meeting these criteria which have been completed in the past five (5) years. In addition, City may consider history of firms in complying with project programs, schedules, and budgets based on previous City projects. If more than one firm is listed for a particular Major Scope of Work, the City expects the work will be divided evenly among them. If more than one firm is listed for a particular Major Scope of Work, list three (3) projects per firm per scope of work. Provide no more than one page per firm per scope.
Complete Form 11 for each Major Scope of Work listed in the Scope of Services. Provide no more than one page per Major Scope of Work, per firm. All major subconsultants listed in this item must also be included in your MBE/WBE compliance plan.

CONSIDERATION ITEM 7
TEAM’S EXPERIENCE WITH AUSTIN ISSUES
10 Points Maximum

City is interested in the team’s (including subconsultants) experience with Austin issues, as may be evidenced by work in the Austin area during the past five (5) years. Briefly describe experience in the following areas and reference projects relating to that experience:

- City of Austin site development and/or building permit requirements,
- Austin area construction in the public right-of-way,
- Austin area actual construction costs in comparison to your company’s opinion of cost, prior to bid or proposal,
- Austin environmental community, conditions and constraints, and
- Public awareness and involvement in project development in the Austin area.

Provide a brief narrative of no more than four (4) pages.

CONSIDERATION ITEM 8
CITY OF AUSTIN’S EXPERIENCE WITH PRIME FIRM (past 5 years)
10 Points Maximum

The City will consider the history of the firm in complying with project programs, schedules, and budgets on previous City of Austin projects within the last five (5) years.

Scoring is based on consultant performance evaluations completed by City staff for City projects, considering:

1. Schedule / Timeliness of Performance
2. Budget / Cost Control
3. Quality of Work Performed
4. Invoicing and Payments
5. Deliverables
6. Compliance with MBE/WBE/DBE Procurement Program(s)
7. Regulatory Compliance and Permitting
8. Adequacy and Availability of Workforce
9. Project and Contract Management
10. Communications, Cooperation, and Business Relations

Firms who have had no previous City of Austin projects relative to the industry or engineering discipline of this solicitation, will receive a score equal to the average of all firms in the database with previous City of Austin projects relative to the industry or engineering discipline of this solicitation.

CONSIDERATION ITEM 9
INTERVIEWS – N/A

Interviews will not be conducted for this solicitation.
