

**FORM 6
AFFIDAVIT OF CONTRACT EXECUTION**

Solicitation Number: CLMP280

Project Name: Ullrich Water Treatment Plant Conversion

Entities submitting qualification statements shall be prepared to be responsive to City staff following Council award in providing documents required for contract execution, including but not limited to insurance, hourly rate information, and non-discrimination policy. The prime firm must commit to meeting schedules and deadlines set by City staff in order to execute the contract in a timely manner. We anticipate contract execution on or before April 2020.

I hereby certify that following Council award, our firm will be responsive to City staff in submitting the required documents by the deadlines set forth by City staff. I understand that if we do not meet this requirement, contract negotiations will cease. I also understand if we do not submit this completed form with our Statement of Qualifications, we may be deemed non-responsive.
